

Child & Family Directory

A note from Southern Midlands Council:

Dear Resident,

This directory has been developed primarily for parents of children aged between 0-5 living in the Southern Midlands and surrounding regions.

We recognise the contribution you are making to our community and seek to assist you in any way we can.

The project has been possible with the kind support of Mission Australia, Communities for Children and Stronger Families and Community Initiative.

This document is a living document and we intend to update this every quarter. If you find that information has changed or you find other services that may benefit other young families please feel free to contact us.

Best wishes,

Greg Hunt
Community Recreation Officer
Southern Midlands Council.
