## **NOTICE OF MEETING**

Notice is hereby given that the next ordinary meeting of Council will be held on

**Date: Wednesday 23<sup>rd</sup> June 2021**

**Time: 10.00 a.m.**

**Venue: Kempton Municipal Offices, 85 Main Street, Kempton**

*The Local Government Act 1993 section 65 provides the following:*

1. *A general manager must ensure that any advice, information or recommendation given to the council or a council committee is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation.*
2. *A council or council committee is not to decide on any matter which requires the advice of a qualified person without considering such advice unless –*
  - (a) *the general manager certifies, in writing –*
    - (i) *that such advice was obtained; and*
    - (ii) *that the general manager took the advice into account in providing general advice to the council or council committee; and*
  - (b) *a copy of that advice or, if the advice was given orally, a written transcript or summary of that advice is provided to the council or council committee with the general manager's certificate.*

*I therefore certify that with respect to all advice, information or recommendation provided to the Council in or with this Agenda:*

- (1) *The advice, information or recommendation is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation; and*
- (2) *Where any advice is directly given by a person who does not have the required qualification or experience, that person has obtained and taken into account in that person's general advice, the advice from an appropriately qualified or experienced person.*

***Councillors please note:***

- Public Question Time will be held at 10.30 a.m. – members of the public are invited to attend.
- Oatlands District High School Principal (Kelly Hartnett) and School Association President (Lance Bailey) will attend the meeting at approximately 10.45 a.m. for jointly signing the ‘Strategic Alliance Charter’ with the Oatlands District High School.

Yours faithfully

## 5. NOTIFICATION OF COUNCIL WORKSHOPS

In accordance with the requirements of the *Local Government (Meeting Procedures) Regulations 2015*, the Agenda is to include details of any Council workshop held since the last meeting.

In accordance with the requirements of the *Local Government (Meeting Procedures) Regulations 2015*, the Agenda is to include details of any Council workshop held since the last meeting.

Two workshops have been held since the last Ordinary Meeting.

A workshop was held on the 31<sup>st</sup> May 2021 at the Council Chambers, Oatlands commencing at 9.30 a.m.

Attendance: Mayor A Green, Deputy Mayor E Batt, Cllrs, K Dudgeon, D Fish and R McDougall.

Apologies: Cllrs A Bantick and A E Bisdee OAM,

Also in Attendance: T Kirkwood, A Benson, A Burbury, D Richardson, W Young and J Crosswell.

The purpose of the workshop was to consider and discuss the following 2021/22 Budget components:

1. 2021/22 Capital Works Program (First Draft)
2. 2021/22 Rates and Charges (Discussion Paper);
3. 2021/22 Operating Budget (Draft); and
4. Lake Dulverton Water Supply.

### 1. Capital Works Program (First Draft)

Review of Capital Works Program (first draft). The following comments and feedback was noted:

#### *Roads*

- Construct & Seal – Yarlington Road – total cost \$86,625 (\$64,969 asset renewal and \$21,656 new assets) – deferred

#### *Bridges*

- Stonyhurst Creek (B3280) – total cost \$20,000 – unplanned works completed in November 2020 (i.e. following flood event) - funding was to be committed this financial. Works are to be capitalised in 2020/21 and the cost can be offset against available funds in that financial period.

#### *Walkways*

- Broadmarsh – Streetscape Stage 2 (Survey / Engineering design) – total cost \$18,000 – New Assets – deferred
- Campania – Reeve Street – Street Plantings - total cost \$25,000 – New Assets – deferred

### *Waste Management Program*

- Oatlands Waste Transfer Station – Reuse Facility – total cost \$32,860 – New Assets – deferred

### *Heritage Program*

- Oatlands Watch House (79 High Street) – total cost \$25,000 – New Assets – deferred
- Oatlands Barrack Street Police House (\$110K over 2 years) – duplicated project in ‘Capacity & Sustainability’

### *Natural Program*

- ‘Preventing Roadkill’ Initiative - Signs – total cost \$10,000 – New Assets - reduced by \$5,000 (remaining \$5K – pilot program)

### *Recreation*

- Oatlands – Midlands Memorial Community Centre – External Painting – total cost \$22,500 – Asset Renewal – deferred

### *Capacity & Sustainability*

- Stanley Street Master Plan – total cost \$25,000 – New Assets – reduced by \$5,000

### *Works*

- Minor Plant – Steam Weeder c/w Trailer) – total cost \$32,500 (2020/21) – not be progressed

## **2. 2021/22 Rates and Charges Discussion Paper**

Rates and Charges Discussion Paper considered at the workshop.

To be further considered at the next Workshop scheduled for 7<sup>th</sup> June 2021.

## **3. 2021/22 Operating Budget (Draft)**

### *Recreation Program*

- Oatlands Swimming Pool (existing facility) – total cost \$113,378 – allocation relates to the opening of the existing facility for the period November through to end of March 2022. Further consideration to be given to not opening the current facility for the 2021/22 summer period pending completion and opening of the new Aquatic Centre in March 2022.

### *Volunteers Program*

- Community Small Grants Program – total allocation \$40,000 – reduced by \$10K

## **4. Lake Dulverton Water Supply**

General discussion relating to the possibility of supplementing the water supply to Lake Dulverton. A number of issues were identified for further investigation and advice.

The Workshop concluded at approximately 1.30 p.m.

A workshop was held on the 7<sup>th</sup> June 2021 at the Council Chambers, Oatlands commencing at 9.30 a.m.

Attendance: Mayor A Green, Deputy Mayor E Batt, D Fish and R McDougall.

Apologies: Clrs A Bantick, A E Bisdee OAM and K Dudgeon.

Also in Attendance: T Kirkwood, A Benson, D Richardson, A Burbury and J Crosswell.

The purpose of the workshop was to consider and discuss the following 2020/21 Budget components:

**1. 2021/22 Capital Works Program (Second Draft);**

The workshop acknowledged the changes made at the previous Workshop and noted the overall balances in each of the respective funding source(s) columns.

An amount of \$5,000 was reallocated from the Recreation and Facilities Committee General Budget (\$30K reduced to \$25K) and committed to the development of a Bike Track at Kempton. This being the subject of a community driven grant application.

**2. 2021/22 Rates and Charges (Discussion Paper);**

The Workshop considered the two 'General Rate' options, with Option 2 (i.e. reducing the differential to 50%) being the preferred option.

**3. 2021/22 Operating Budget (Draft);**

The workshop concluded that the Budget allocated for opening the existing Pool for the 2021/22 summer season (i.e. November to March) be deleted. The aim being to reduce the budgeted deficit within the draft Operating Budget.

**4. Southern Central Sub Region (i.e. Brighton; Central Highlands; Derwent Valley and Southern Midlands Councils); and**

- Workshop considered potential priority areas for consideration by the sub-regional group

:

- o Aged and Community Service Initiatives – economic value
- o NDIS Statistics (SMC area) – aim to secure additional placements;
- o Community Health and Well-Being Programs (in general)

Note: Consider arranging a presentation from an industry representative. (e.g. Helen Pollard – South Eastern Community Care)

**5. Local Government Association of Tasmania – Annual General Meeting & Conference.**

Councillors to advise Jemma Crosswell of their attendance / registration details.

The Workshop concluded at approximately 10.40 a.m.

## RECOMMENDATION

**THAT the information be received and the outcomes of the workshop(s) noted.**

## **6. COUNCILLORS – QUESTION TIME**

### **6.1 Questions (On Notice)**

Regulation 30 of the *Local Government (Meeting Procedures) Regulations 2015* relates to Questions on notice. It states:

- (1) *A councillor, at least 7 days before an ordinary council meeting or a council committee meeting, may give written notice to the general manager of a question in respect of which the councillor seeks an answer at that meeting.*
- (2) *An answer to a question on notice must be in writing.*

Nil.

## 6.2 Questions Without Notice

Section 29 of the *Local Government (Meeting Procedures) Regulations 2015* relates to Questions without notice.

It states:

**“29. Questions without notice**

(1) *A councillor at a meeting may ask a question without notice –*

- (a) of the chairperson; or*
- (b) through the chairperson, of –*
  - (i) another councillor; or*
  - (ii) the general manager.*

(2) *In putting a question without notice at a meeting, a councillor must not –*

- (a) offer an argument or opinion; or*
- (b) draw any inferences or make any imputations – except so far as may be necessary to explain the question.*

(3) *The chairperson of a meeting must not permit any debate of a question without notice or its answer.*

(4) *The chairperson, councillor or general manager who is asked a question without notice at a meeting may decline to answer the question.*

(5) *The chairperson of a meeting may refuse to accept a question without notice if it does not relate to the activities of the council.*

(6) *Questions without notice, and any answers to those questions, are not required to be recorded in the minutes of the meeting.*

(7) *The chairperson of a meeting may require a councillor to put a question without notice in writing.*

An opportunity is provided for Councillors to ask questions relating to Council business, previous Agenda items or issues of a general nature.

## **7. DECLARATIONS OF PECUNIARY INTEREST**

In accordance with the requirements of Part 2 Regulation 8 of the *Local Government (Meeting Procedures) Regulations 2015*, the chairman of a meeting is to request Councillors to indicate whether they have, or are likely to have, a pecuniary interest in any item on the Agenda.

Accordingly, Councillors are requested to advise of a pecuniary interest they may have in respect to any matter on the agenda, or any supplementary item to the agenda, which Council has resolved to deal with, in accordance with Part 2 Regulation 8 (6) of the *Local Government (Meeting Procedures) Regulations 2015*.

## 8. CONSIDERATION OF SUPPLEMENTARY ITEMS TO THE AGENDA

In accordance with the requirements of Part 2 Regulation 8 (6) of the *Local Government (Meeting Procedures) Regulations 2015*, the Council, by absolute majority may decide at an ordinary meeting to deal with a matter that is not on the agenda if the General Manager has reported –

- (a) the reason it was not possible to include the matter on the agenda; and
- (b) that the matter is urgent; and
- (c) that advice has been provided under section 65 of the Act.

### RECOMMENDATION

**THAT the Council resolve by absolute majority to deal with any supplementary items not appearing on the agenda, as reported by the General Manager in accordance with the provisions of the *Local Government (Meeting Procedures) Regulations 2015*.**

## **9. PUBLIC QUESTION TIME (SCHEDULED FOR 10.30 A.M.)**

In accordance with the requirements of Part 2 Regulation 8 of the *Local Government (Meeting Procedures) Regulations 2015*, the agenda is to make provision for public question time.

In particular, Regulation 31 of the *Local Government (Meeting Procedures) Regulations 2015* states:

- (1) *Members of the public may give written notice to the General Manager 7 days before an ordinary meeting of Council of a question to be asked at the meeting.*
- (2) *The chairperson may –*
  - (a) *address questions on notice submitted by members of the public; and*
  - (b) *invite any member of the public present at an ordinary meeting to ask questions relating to the activities of the Council.*
- (3) *The chairperson at an ordinary meeting of a council must ensure that, if required, at least 15 minutes of that meeting is made available for questions by members of the public.*
- (4) *A question by any member of the public under this regulation and an answer to that question are not to be debated.*
- (5) *The chairperson may –*
  - (a) *refuse to accept a question; or*
  - (b) *require a question to be put on notice and in writing to be answered at a later meeting.*
- (6) *If the chairperson refuses to accept a question, the chairperson is to give reasons for doing so.*

Councillors are advised that, at the time of issuing the Agenda, no questions on notice had been received from members of the public.

Mayor A O Green to then invite questions from members of the public in attendance.

### **9.2 Permission to Address Council**

Permission has been granted for the following person(s) to address Council:

- Nil.

## 10. MOTIONS OF WHICH NOTICE HAS BEEN GIVEN UNDER REGULATION 16 (5) OF THE LOCAL GOVERNMENT (MEETING PROCEDURES) REGULATIONS 2015

### 10.1 Acknowledgment of Country

Councillor R McDougall has submitted the following Notice of Motion:

“THAT at the start of every Council meeting, and at any official Council event, the Southern Midlands Council offer an Acknowledgement of Country - suggested wording as follows:

We acknowledge the Traditional Custodians of the land on which we meet today, and recognise their continuing connection to the land, water and to community. We pay respects to Elders past, present and emerging. ”

#### **BACKGROUND / SUPPORTING STATEMENT(S) PROVIDED BY CLR McDOUGALL:**

On June 5 2021, we marked the occasion of Lachlan Macquarie's naming of Oatlands, beside the Great Lagoon, 200 years ago on June 3 1821.

As we know, our land was not empty when the British arrived in 1788, and, that on June 3, 1992, the Australian High Court abolished the legal fiction of *terra nullius*, altering the foundation of Australian law, and officially recognising that the Indigenous people occupied Country for tens of thousands of years before colonisation.

An Acknowledgement of Country is a token of respect to the Aboriginal people, a speaking of truth and an acknowledgement of history. As a Council, we acknowledged history recently, with our Enlighten Oatlands event. An Acknowledgement of Country would be another step in acknowledging our shared history.

It should also be acknowledged and recognised that the vast majority of Councils and every level of government in Australia include this important statement prior to commencement of meetings and public functions.”

#### General Manager's Comments:

Councillors will recall that an identical Notice of Motion was submitted to the Council Meeting held in May 2019. The Motion lapsed due to the lack of a seconder and therefore no decision has been made. Hence, the provisions within the *Local Government (Meeting Procedures) Regulations 2015* in terms of overturning a previous decision are not applicable.

**Author:** MANAGER DEVELOPMENT & ENVIRONMENTAL SERVICES  
 (DAVID CUNDALL)

**Date:** 15 JUNE 2021

### Issue

This report will provide Council (and the wider community) with an overview and update on the progress of the draft Local Provisions Schedule (LPS) with regard to the exhibition of the LPS. This will include public consultation.

### Background

As Council would recall, the LPS forms a part of the overall Tasmanian Planning Scheme (TPS). The scheme is comprised of the State Planning Provisions (SPPs) and the Local Provisions Schedules (LPSs). The SPPs were prepared by the State Government (declared by the Minister February 2017) and the LPS is to be prepared by each Council in Tasmania. The TPS does not come into effect until the LPS has been approved by the Minister for Planning. This will be subject to public consultation, further consideration by Council and hearings held by the TPC.

The content of the LPS consists of two parts:

- A. Zone maps and overlay maps; and
- B. Written ordinance

The overlay maps and zone maps spatially define the application of the zones, specific area plans and the application of certain planning scheme codes.

The draft LPS is supported by a “Supporting Report” which explains the content of the LPS and provides justification against the particulars of the *Land Use Planning and Approvals Act 1993* (the Act).

Council endorsed the LPS and Supporting Report for submission to the Tasmanian Planning Commission (“TPC”) at the November 2018 Council Meeting.

### Update

Since submission to the TPC in December 2018 the following events have transpired per the following Table.

Date	Event	Comment
May 2019	Planning Commission holds first “post lodgement” hearing at the Commission with Manager Development and Environmental Services David Cundall and Senior Planner Jacqui Tyson.	<p>The outcomes of the hearing were published on Council’s Website.</p> <p>The matters discussed were as follows:</p> <ol style="list-style-type: none"> <li>1. Zones – minor clarifications</li> <li>2. Zones – major changes or new</li> <li>3. Codes</li> <li>4. Mapping - general</li> <li>5. New PPZ and SAPs and section 32(4) of the Act</li> <li>6. 		<p>8. Drafting</p> <p>9. Next steps</p>
June – September 2019	<p>Council Officers prepared further documentation in response to the TPC requests.</p>	<p>The following documents and changes were made. These were largely technical in nature and did not change any policy position or strategic objectives of Council:</p> <ul style="list-style-type: none"> <li>• An updated Supporting Report (in Word) – detailing:</li> <li>• Case studies and rationale behind the application of the Ag and Rural Zone</li> <li>• Further detail on the expansion of the rural living zone on Black Brush Road</li> <li>• Tabled and explanation of all changes from SMIPS2015 to draft LPS – including: <ul style="list-style-type: none"> <li>• Utilities Zone</li> <li>• Recreation Zone</li> </ul> </li> <li>• Places of archaeological significance – background</li> <li>• Flood prone areas – background</li> <li>• Use and content of the Scenic Protection Code</li> <li>• Further justification for SAPs and edits to errors in referencing Act etc</li> <li>• Confirmation from TasWater regarding Colebrook SAP for waste water systems</li> <li>• Inclusion of new Appendices (in PDF):</li> <li>• GHD Heritage Report <ul style="list-style-type: none"> <li>• Flood Area mapping report</li> <li>• Campania Structure Plan</li> </ul> </li> <li>• Written Ordinance (in Word) modified: <ul style="list-style-type: none"> <li>• Content of Scenic Protection Code</li> <li>• Review and accept edits by TPC Officers</li> <li>• Minor expression and word changes to SAPs</li> </ul> </li> <li>• Changes to mapping (in PDF): <ul style="list-style-type: none"> <li>○ Errors generally</li> <li>○ Errors in consistency between similar land types and land use</li> <li>○ Inclusion of additional utilities zone and referenced in supporting report</li> <li>○ Some minor changes to ag and rural zoning</li> <li>○ Compile the bushfire hazard mapping</li> <li>○ Change to layout and TPC grid and to better comply with practice note 7</li> </ul> </li> </ul>
October 2019	<p>A new officer was appointed at the TPC to review the Southern Midlands LPS</p>	<p>The maps supplied needed to be reformatted.</p> <p>New issues were raised by the TPC that were technical in nature relating to transitioning provisions.</p>

January 2020	TPC ask that a second conference be held.	
February 2020	Second hearing held.	TPC issued a 40 page suite of documents asking for clarifications of matters discussed at the conference(s) and asking for further supporting material with regard to zone changes in the townships of Kempton, Campania and Mangalore.
June 2020	Manager Development and Environmental Services contacts the Commissioner to discuss the vast amount of information required by the TPC	
June – August 2020	The requests for clarifications were reduced from 40 pages to approximately 5 pages.	
August 2020	Manager Development and Environmental Services provides written responses to the TPC.	The written response and supporting material represent some 10,000 words. This was largely justification around the zoning changes in Kempton, Campania and Mangalore to demonstrate the zone changes are consistent with the Southern Tasmanian Regional Land Use Strategy.
September 2020	The TPC provides the “Section 35” directions notice to modify the draft.	The notice is a direction from the TPC as authorised by the Minister to Council to modify the draft LPS in order to be deemed suitable for exhibition.  Many of these changes were minor changes to zone boundaries and technical edits to the written ordinance.  However the Notice also required Council to remove some proposed zone changes in Kempton, Campania and Mangalore. These were substantive changes and were tabled at the November 2020 Council meeting for direction.
November 2020	Resolution of Council to contact the Minister for Planning.	Council write to the Minister and the TPC to seek review and amendments to the Southern Tasmanian Regional Land Use Strategy to allow the zone changes in Kempton, Campania and Mangalore.

## Discussion

At the November 2018 Council Meeting Council endorsed the Draft LPS and the Supporting Report as satisfying Section 34 (2) of the Act and that Council endorse the submission of the documentation to the Tasmanian Planning Commission for assessment and direction to exhibit the documentation.

In the November 2018 report and subsequent reports, Council have acknowledged that community consultation will be undertaken concurrently with the statutory requirements of the Act. The Act provides the following statutory requirements in accordance with Section 35C and 35D:

### 35C. Notice of exhibition of draft LPS

- (1) A planning authority that is given a direction under [section 35B\(4\)](#) in relation to a draft LPS must give notice of the public exhibition of the draft LPS to –
  - (a) each other planning authority for a municipal area that is within the same regional area as the planning authority that received the direction; and
  - (b) each other planning authority for a municipal area that is adjacent to the municipal area in respect of the planning authority that received the direction; and
  - (c) each State Service Agency, or State authority, specified in the direction.
- (2) A planning authority that receives a direction under [section 35B\(4\)](#) in relation to a draft LPS must ensure that an exhibition notice in relation to the draft LPS is published in accordance with this section.
- (3) The exhibition notice is to be published once before, and once within 14 days after, the first day of the exhibition period, in a newspaper that is published, and circulates generally, in Tasmania.
- (4) An exhibition notice is to –
  - (a) specify the period that is to be the exhibition period in relation to the draft LPS; and
  - (b) specify that the relevant exhibition documents are or will be –
    - (i) available for viewing by the public, during the exhibition period, at premises, that are offices of the planning authority, specified in the notice; and
    - A. (ii) available for viewing and downloading by the public, during the exhibition period, at an electronic address specified in the notice; and
    - (c) contain an invitation to all persons and bodies to, within the exhibition period, make to the planning authority a representation in relation to the relevant exhibition documents in relation to the draft LPS by submitting the representation to –
      - (i) the premises specified in the notice in accordance with [paragraph \(b\)\(i\)](#) ;  
or
      - (ii) an electronic address specified in the notice.
- (5) The exhibition period, in relation to a draft LPS, is to be a period of 60 days –
  - (a) beginning on the day on which relevant exhibition documents in relation to the draft LPS begin to be available for viewing by the public at exhibition premises in accordance with [section 35D\(1\)\(a\)\(i\)](#) ; and

- (b) excluding any days on which the exhibition premises are closed during normal business hours.

### **35D. Exhibition of draft LPS**

(1) A planning authority that is given a direction under section 35B(4) in relation to a draft LPS must –

(a) within the period, if any, specified, in accordance with section 35B(5)(b) , in the direction, cause the relevant exhibition documents in relation to the draft LPS –

(i) to begin to be available for viewing by the public at the exhibition premises; and

(ii) to begin to be available for viewing and downloading by the public at the electronic address specified, in accordance with section 35C(4)(b)(ii) , in the exhibition notice; and

(b) ensure that the relevant exhibition documents in relation to the draft LPS are, for the exhibition period –

(i) available for viewing by the public at the exhibition premises; and

(ii) available for viewing and downloading by the public at the electronic address specified, in accordance with section 35C(4)(b)(ii) , in the exhibition notice.

(2) The Commission must cause the relevant exhibition documents in relation to a draft LPS to which a direction under section 35B(4) relates to be, for the exhibition period in relation to the draft LPS –

(a) available for viewing by the public at its office; and

(b) available for viewing and downloading by the public at an electronic address of the Commission.

In addition to these requirements, Council Officers will undertake the following consultation (in addition to those requirements of the Act):

- Use of Council resources to exhibit and communicate the draft - Council website, facebook, and readily available information at Kempton and Oatlands Offices;
- Information Sessions at key locations (i.e. dedicated drop in session);
- Officers available to discuss matters with the public and stakeholders

The drop in sessions are an excellent way for the local community to discuss any concerns directly with Council Officers. Elected Members are also invited to attend and assist in the sessions. A schedule of times and venues will be provided in due course.

### **Human Resources and Financial Implications**

The public exhibition of the LPS and public consultation will require advertising, printing and other operational resources.

### **Policy Implications**

A person or body may make representations to the Planning Authority during the exhibition period. The Planning Authority will then consider these representations and provide a report to the Commission about the exhibition together with a copy of the representations and a statement of the Planning Authority's opinion as to the merit of each representation. This must be provided to the Commission within 60 days after the end of the exhibition (or such longer time as allowed by the Commission).

The Planning Authority may also include any recommendations in relation to the draft LPS. This affords the Planning Authority to seek further changes to the draft LPS in accordance with Council policy.

## 12.10 Officer Reports – Infrastructure & Works

### 12.10.1 Manager – Infrastructure & Works Report

**Author:** MANAGER INFRASTRUCTURE & WORKS (DAVID RICHARDSON)

**Date:** 15 JUNE 2021

#### Detail:

#### Roads Program

Council's graders have been working on various Roads with the bus routes being the priority roads for grading as required. The recent wet weather has affected the un-sealed pavements throughout the municipality, the focus over the coming Month will be to rectify these issues on a priority basis. General road maintenance will continue, including a focus on storm-water culvert and table drain clearing works being a priority.

The junction of Bluff and Elderslie Road intersection improvements has commenced

The 2021 Road Reseal Program is complete.

#### Lake Dulverton Pathway

Construction of the walkway has commenced with some delays due to wet weather.

#### Waste Management Program

Ongoing safety improvements are being completed as a result of risk assessments that have been undertaken. Further works are required over the coming period.

Shelter sheds are now in place at Campania and Dysart to provide shelter to staff while working at the sites. A meeting was held with the waste contractor to discuss the need for pick up and emptying of the large skip bins at Dysart and Campania on weekends to ensure the bins are not overflowing, this service will be monitored over the coming period to ensure it remains fit for purpose.

#### Parks and Reserves

General maintenance of parks and reserves will continue with a focus on ensuring all playground equipment is compliant with the relevant standards. Any potential defects will be rectified as a priority that are identified as a result of the inspections.

**Author:** MANAGER HERITAGE PROJECTS (BRAD WILLIAMS)

**Date:** 16 JUNE 2021

#### ISSUE

Report from the Manager, Heritage Projects on various Southern Midlands Heritage Projects.

#### DETAIL

During the past month, Southern Midlands Council Heritage Projects have been largely dominated by the finalisation and staging of the *Enlighten Oatlands* festival, celebrating 200+ years of history, heritage and culture at Oatlands. The following summary of the event is provided here (see also the event brochure distributed at this meeting):

#### Enlighten Festival Oatlands

5<sup>th</sup> June 2021 3pm – 7pm

An attempt to fulfil the prophecy of E T Emmett who as the Director of Tourism wrote in 1941 what he suggested happen for the Oatlands Bicentenary. We did this by having a street parade of old Oatlands, a party in the Gaol yard, a lantern show on the Town Hall and more. We also had a lantern walk which included hundreds of lanterns made by members of the community, stilt walkers, storytelling, fire display & signal fires across the lake, live music, food & fire pots at both the gaol and commissariat and an 1820's market performance (spinnarium). There were three exhibitions:

- *The History & Culture of Oatlands* at AiRSpace – where people were invited to portray via art what they see at the history and heritage of the region. People's choice award being awarded to Patti Burbury with her artwork of the Inglewood Blacksmith's Shop.
- The *What's in a name?* exhibition at the Supreme Court explored the nomenclature of the area, from colonial times and those words used by the traditional custodians of the land. Although we were celebrating the 200<sup>th</sup> anniversary of the naming of Oatlands by Macquarie, the nomenclature and language of the region is much more important than that one event.
- The *Weeding Letters* at the Gaoler's Residence which give an idea of daily life in colonial times.

The 'Then & Now' lantern show on the Town Hall was made up of nearly 200 images & film, with both modern images forwarded by locals alternated with historical images of Oatlands and its icons. An open call to the community was put out a few weeks before asking for contributions of material that people thought important to the history and heritage of Oatlands, as well as contemporary culture.

About 1000 (conservatively speaking) were in attendance. The crowd swelled in the first two hours of the event but dwindled steadily after that which also may have had more to do with the weather.

Quotes taken from the Facebook Event page include:

- Karen Miles *"Such a fun night!! Thank you so much to the organisers and everyone who entertained and fed the crowd!"*
- Anne Salt *"Well done to the organisers of this fabulous event to mark the 200<sup>th</sup> anniversary of the naming of Oatlands. We enjoyed everything on offer and look forward to the next event that will entice us to return to Oatlands. And, many thanks to the 'locals' for their friendly welcome to us visitors!"*
- Lyn Scott *"Enjoyed the evening thank you for everyone who was involved in making the celebrations possible"*
- Sue Dooley *"Steam engines look great"*
- Lee Hines *"What a wonderful way to celebrate the history of Oatlands, the Town Hall looks fantastic"*

As a gauge of the popularity of the festival, some Facebook posts reached over 11,000 people.

On our Facebook page, we have put out a call for 'how do you want the people of Oatlands in 2121 to celebrate?'. Just like Emmett, we will archive and time-capsule these responses for a future generation.

**ISSUE:** Southern Midlands Landcare Unit Monthly Report.

#### DETAIL

- Works for the Victoria Hall at Kempton close to finishing. Hand rails, bollards and the base of path at corner of building to be finished. Helen and Maria planted Lime Tuff Lomandra in early June. Opening date / event request form sent to Aust Govt. Date confirmed for opening is now Tuesday 17<sup>th</sup> August, 2.00 p.m.
- The construction of the Campania Bush Reserve pathway works (grant funded) have been completed. A final project report is being prepared to submit to the Aust Government.
- Maria and Helen Geard continue to work on solutions for a new clock face for the cracked glass face on the southern side of the clock.
- Maria continues to work with the Works Dept in regard to the new pathway on the Lake foreshore (High St to stop over). The contractor finally commenced works to place the top layer of the path on 1<sup>st</sup> June 2021, after experiencing delays in obtaining the specialised machine part for the mixing of the aggregate material. The colder weather is making the laying of the path top coat difficult. It is now being considered by the contractor that it may be best to leave this stage until the warmer spring months. An extension of the permit has been granted to enable this work to happen later if required.
- Maria and Helen spent some time Callington Park repairing and replacing some railings and posts in the old sheep yards section of the park.
- Helen has been working on the Drum Muster program in terms of administration.
- Callington Park - Lighting and surveillance cameras. Continuing to progress slowly.
- Maria has been working on Lake Dulverton water issues re supplementary water for the lake to ensure the water level (section beside township) is sustained in the longer term.

Consideration of the Animal Management/Compliance Officer's report for May-June 2021

The purpose of the report is twofold:

1. To inform Council and the Community of infringements issued by Council Officers in relation to Animal Management for the period June ; *and*
2. Provide a brief summary of actions and duties undertaken by Council Officers in relation to animal management.

This in turn informs the community of the requirements and expectations of the Council to uphold and enforce the relevant legislation. This reminds Council and the community of the importance of responsible ownership of animals.

The infringements detailed in this report were all issued under the *Dog Control Act 2000*.

*Draft Oatlands Structure Plan (June 2021)*

### ISSUE

Council to endorse the Oatlands Structure Plan.

### BACKGROUND

At the March 2021 meeting, Council were provided a report on the progress of the Oatlands Structure Plan. The report provided a timeframe from the inception of the idea in November 2018 through to finalisation of a draft document following the second phase of public consultation (which included exhibition of the document). The timeframe is again included in this report.

Guiding the project has been the Council steering committee comprised of Council Officers and Managers together with two (2) Elected Members.

Since the March 2021 meeting the consultant planners that have prepared the document have made final changes at the direction of the steering committee and project manager.

The project steering committee has finalised the Oatlands Structure Plan and it is hereby submitted to Council for consideration for endorsement

### PROJECT TIMELINE

The project was developed in a series of stages. These are provided in the following table (Table 1):

Action	Details	Status

## **DISCUSSION**

The Phase 1 Public Consultation commenced in August 2020. The consultation process involved the following community engagement and information gathering exercises:

- The Consultant JMG Engineering and Planning held a session with the students of the Oatlands District High School and captured their thoughts, aspirations and vision for Oatlands.
- A stall was setup in the High Street next to the IGA to promote the Structure Plan and gather early feedback. Approximately 30 people stopped and participated.
- A public workshop and information session was held at the Gay Street Hall. Approximately 30 people attended for the 2 hour session with Council Officers and JMG.
- Online Survey
- Written submissions to the General Manager.

In total, around 100 people provided feedback on the formation of the Structure Plan. The Phase 1 consultation was considered successful. The Oatlands community and stakeholders overall supported the objectives of the Plan and showed keen interest and support in preparing a plan for the township.

Phase 2 of the community consultation commenced in January 2021 with a 6 week exhibition period which included a second public workshop and information session held at the Gay Street Hall on the 20<sup>th</sup> January 2021. 17 members of the community attended the session with further Council Officers and Councillors. A total of 11 written submissions were then received during the exhibition. These submissions were tabled by the steering committee and individually considered.

Parking and traffic management remain central to the objectives of the structure plan and are clearly matters important to the community and visitors to the town. This was strongly communicated to Council and JMG during the two (2) phases of consultation.

The strong interest in the traffic and parking matters culminated in a standalone appendix in the Structure Plan. This was a clear instruction from the steering committee.

Overall the objectives of the structure plan and themes of the structure plan are supported by stakeholders and those whom have participated in the public consultation. Many of the ideas presented by the community have been furthered through the plan.

## **OBJECTIVES OF THE STRUCTURE PLAN**

A business case and project plan was created for the project prior to commencement.

The objectives of the project plan are used as the benchmark to determine if the project output (the document) is a success. The objectives of the project were:

- Encourage greater visitor numbers to stop and stay for longer in Oatlands
- Encourage greater retention of population and encourage new residents
- Support local business and service providers through improved town amenity, greater visitor numbers, and through residential and business growth
- To involve the community in future use/development and accessibility to Callington Park
- To maximise the use of space and linkages between key development areas
- To ensure any plan is aligned with current State, Regional and Local Strategy
- To attract further investment and funding for infrastructure
- To leverage off planned development and the current values of the town.
- Implement healthy urban design and modern open spaces; and
- Continue to grow a healthy active community.

Many of these objectives should be realised through the implementation of the structure plan.

## **THE STRUCTURE PLAN**

The structure plan consists of five (5) sections plus the Appendices:

### **1. Summary and Context**

This section provides a contemporary snapshot of Oatlands including the demographics, the land use patterns, the natural and cultural heritage, the service infrastructure and the environment.

The primary purpose of this section is to provide the community, developers and stakeholders with an overall understanding of the physical and social setting. This sets the context for the document. It also documents what the plan sets to achieve and the policy framework in which it exists.

This gives an evidence based approach to forming a direction for the township and assists in determining the constraints and opportunities in Oatlands.

## **2. Stakeholder and community engagement feedback**

This section provides detail on the two (2) phases of general community and stakeholder engagement. This includes the key themes that were discussed during consultation.

The Phase 1 Public Consultation commenced in August 2020. The consultation process involved the following community engagement and information gathering exercises:

- The Consultant JMG Engineering and Planning held a session with the students of the Oatlands District High School and captured their thoughts, aspirations and vision for Oatlands.
- A stall was setup in the High Street next to the IGA to promote the Structure Plan and gather early feedback. Approximately 30 people stopped and participated.
- A public workshop and information session was held at the Gay Street Hall. Approximately 30 people attended for the 2 hour session with Council Officers and JMG.
- Online Survey
- Written submissions to the General Manager.

In total, around 100 people provided feedback on the formation of the Structure Plan. The Phase 1 consultation was considered successful. The Oatlands community and stakeholders overall supported the objectives of the Plan and showed keen interest and support in preparing a plan for the township.

Phase 2 of the community consultation commenced in January 2021 with a 6 week exhibition period which included a second public workshop and information session held at the Gay Street Hall on the 20th January 2021. 17 members of the community attended the session with further Council Officers and Councillors. A total of 11 written submissions were then received during the exhibition. The community were generally supportive of the draft recommendations. Significant support was given for the following during the second phase of the consultation – in order:

- A. To create a town centre/civic hub around Roche Hall, Town Hall, the Aquatic Centre and High Street area.
- B. To investigate the feasibility of fixed NBN

- C. To create an urban design plan for the township with regard to street trees, lighting, furniture, footpath type, signage etc
- D. To encourage greater use and access to Lake Dulverton including promotion of the lake and water resources
- E. To unlock and encourage further residential growth through planned infrastructure upgrades and master planning exercises.
- F. To construct a new toilet in Callington Park to attract greater use of the space, encourage people to stop in Oatlands and to service the playground area (without a road crossing).
- G. Parking generally and to provide accessible and dedicated parking locations.
- H. To assess traffic and pedestrian issues in South Parade and provide recommendations for works

The community were proud of the town and recognised there is a strong need for Council and stakeholders to pro-actively find ways to prepare for increased growth through infrastructure planning, urban design whilst protecting the heritage character and rural charm of the township. The community and stakeholders sort a conservative approach to change and direction.

Improvements to public open space for greater town amenity, accessibility and to encourage more events were high priorities for participants in the consultation.

### **3. Constraints and Opportunities**

The key constraints and opportunities were provided through analysis of the setting and context and from the community consultation.

The constraints and opportunities are used as a basis for determining a vision for the town and the strategic responses to achieving the vision.

### **4. The vision and strategic responses**

A vision statement for the town was workshopped with the community and was used in the draft structure plan in phase 2 of the community consultation. The statement reads:

*To make Oatlands an enlivened historic rural township which balances its functions as a rural service centre and a major tourist destination.*

This was accepted by those community members and stakeholders that participated in the consultation process. The steering committee agreed this was a balanced vision statement for the town.

### **5. The actions and recommendations**

The highest priorities are provided as follows - in no particular order:

- A. Create an Oatlands Civic Hub in front of Town Hall and Roche Hall fronting High Street to create a defined town centre and event space.

- B. Continue development of the new playground and further activation and use of Callington Park through parking, public toilets and convenient access.
- C. Unlock and encourage greater residential growth and higher density in existing residential zones.
- D. Continue support for the Oatlands Accommodation project.
- E. Provide dedicated and accessible car parking around the hospital, High Street and Barrack Street carpark including new car parking areas.
- F. Develop an integrated landscaping, lighting, signage and street furniture guideline for the town.
- G. Install signage to encourage and direct tourists and visitors to Callington Park and Lake Dulverton on foot.
- H. Create a bushfire management plan for Oatlands in consultation with Tasmania Fire Service.
- I. Create affordable housing opportunities.
- J. Create further knowledge economy around the Heritage of Oatlands and promote the township as an educational resource.

The actions and recommendations include detailed analysis and response to the issues raised by the community with regard to traffic and pedestrian safety. Particularly along the High Street, Esplanade and South Parade. Council will note a recommendation to include a median strip along the High Street and pedestrian refuges at key crossing points

The Appendices provide:

- 1. The Implementation Plan including costing, responsibility and priority
- 2. Stakeholder and community engagement responses and methodology
- 3. Traffic and Parking Plan
- 4. Activation Opportunities

## **POLICY IMPLICATIONS**

Should Council endorse the Oatlands Structure Plan then Council will have a clear direction with regard to future works and development in the township based on data and community expectations. This is particularly important for budget submissions, grant applications and during state and federal elections.

Council should be in a position to confidently undertake capital works and further master planning exercises that align with community expectations.

However it should be noted that structure plans are not statutory documents and have no legal standing other than a strong basis for informed decision making.

## **FINANCIAL AND HUMAN RESOURCE IMPLICATIONS**

Council would consider any actions or recommendations separately i.e. as part of the capital works program during the next budget.

However there are many other recommendations that could be actioned through the operational budget without delay such as:

- Promotion of the former rodeo paddock for public events
- Review and update of the Heritage Code under the Planning Scheme
- Investigate and attract a major institution such as a University to establish operations or programs in the township

- Update parking restrictions and time limits in the High Street.
- Council Officers can commence project planning for many of the other actions and projects identified in the document to become “shovel ready”.

## **RECOMMENDATION**

### **THAT:**

- A. Receive and consider this report.**
- B. The Oatlands Structure Plan be endorsed by Council to guide the future development of the township of Oatlands.**

**15.7.2 Sale of Public Land – 27 Church Street, Oatlands (PID 7559499 – Total Area 5053m2 -; CT 39750/1)**

**Author:** GENERAL MANAGER (TIM KIRKWOOD)

**Date:** 16 JUNE 2021

**Enclosure(s):**  
*Certificate of Title*

**ISSUE**

Council to formally make a decision regarding its intent to sell (i.e. transfer of ownership) 27 Church Street, Oatlands (PID 7559499) to the Tasmanian Government (Department of Health).

**BACKGROUND**

This matter was initially considered by Council at its meeting held in December 2020. It was resolved as follows:

***“THAT:***

- a) the information be received;***
- b) Council confirm that there is merit in progressing the proposal to transfer ownership of the Council owned land at 27 Church Street, Oatlands (PID 7559499 – CT 39750/1);***
- c) Council to retain an access strip to facilitate access to the ‘land-locked’ lots at the rear of the IGS Supermarket and High Street shops;***
- d) Council proceed to obtain a fresh Valuation which can then be referred to the Department of Health for its consideration to provide ‘in-principle approval to purchase’; and***
- e) Subject to the outcome of the above, Council then formally make a decision regarding its intention to dispose of the land and proceed through the public notification process.”***

In reaching the decision, the following background information and detail was provided.

This property (CT 39750/1) situated at 27 Church Street, Oatlands is owned by the Southern Midlands Council. It adjoins the property owned by the Department of Health upon which the majority of the Midlands Multi-Purpose Health Centre (MMPHC) is built.

In reference to the attached locality plan, it can be seen that the sections of the existing MMPHC which are located on this Council owned land include:

- The previous Day Centre Centre (now Meeting and Activity Room);
- part of the Nursing Home section;
- the Palliative Care unit;
- the new Day Care Centre; HACC and CRC services building; and
- the Car Park.

It is evident from the above that the land is already wholly occupied by the Department of Health and therefore transfer of ownership is considered appropriate.

Whilst transfer of property ownership was considered at the time that the Southern Midlands Council passed on management responsibility of the MMPHC to the State Government (late 1990's), it was not pursued at that stage as there was some concern within Council regarding the State Government's commitment to the long-term future of the facility. It was thought that at some stage in the short-term the State Government may consider closure of the MMPHC.

Based on recent capital investment by the State Government at the MMPHC, it could reasonably be determined that the future of the facility is secure.

There are a number of issues (and problems) associated with the present arrangement. These include:

- existing buildings that currently extend across separate Titles (and different ownership);
- whilst Council has ownership of the land, it is included in Council's property schedule for public liability purposes (to ensure no liability exposure);
- A Value of \$1.2m is included for the buildings that are situated on Council owned land in Council's Property Insurance Schedule. This is the current value provided by the Valuer-General as part of the normal municipal valuation process; and
- Based on the present insurance arrangements, Council recharges the MMPHC a percentage of Council's total property insurance premium based on an insured value of \$1.2 million (out of a total property portfolio of \$24.60 million).

In addition to resolving the above issues, the possible sale proceeds from this property could be used to offset the proposed purchase cost of the Barrack Street property owned by Tasmania Police.

*Note: The sale price would only be the value of the land. The majority of the buildings have been funded by the Federal/State Governments with the exception of community donations for the Palliative Care Unit and other improvements within that part of the facility).*

Possibly related to this proposal is the Oatlands Structure Plan, which is considering car-parking options in the vicinity of the High Street shops (i.e. IGA Supermarket). One possibility that has been flagged is providing an access off Church Street at the rear of the Kentish Hotel leading to the rear of the Roxy Supermarket. If this option is pursued it would be appropriate to retain a strip of land (i.e. max. of 10 metres) on the western side of the lot. This strip, which would be classified as 'public roadway' or similar, would be achieved through a subdivision process and precede the sale process. If necessary, this would not impact on the present use of the land.

In terms of sale process, the following is an extract from the relevant sections of the *Local Government Act 1993* relating to ‘Sale and Disposal of Land’, and in particular, the provisions relating to ‘Public Land’:

**“Section 177. Sale and disposal of land**

- (1) A council may sell, lease, donate, exchange or otherwise dispose of land owned by it, other than public land, in accordance with this section.
- (2) Before a council sells, leases, donates, exchanges or otherwise disposes of any land, it is to obtain a valuation of the land from the Valuer-General or a person who is qualified to practise as a land valuer under [section 4 of the Land Valuers Act 2001](#) .
- (3) A council may sell –
  - (a) any land by auction or tender; or
  - (b) any specific land by any other method it approves.
- (4) A council may exchange land for other land –
  - (a) if the valuations of each land are comparable in value; or
  - (b) in any other case, as it considers appropriate.
- (5) A contract pursuant to this section for the sale, lease, donation, exchange or other disposal of land which is public land is of no effect.
- (6) A decision by a council under this section must be made by absolute majority.

**177A. Public land**

- (1) The following land owned by a council is public land:
  - (a) a public pier or public jetty;
  - (b) any land that provides health, recreation, amusement or sporting facilities for public use;
  - (c) any public park or garden;
  - (d) any land acquired under [section 176](#) for the purpose of establishing or extending public land;
  - (e) any land shown on a subdivision plan as public open space that is acquired by a council under the [Local Government \(Building and Miscellaneous Provisions\) Act 1993](#) ;
  - (f) any other land that the council determines is public land;
  - (g) any other prescribed land or class of land.
- (2) The general manager is to –
  - (a) keep lists or maps of all public land within the municipal area; and
  - (b) make the lists and maps available for public inspection at any time during normal business hours.

**178. Sale, exchange and disposal of public land**

- (1) A council may sell, lease, donate, exchange or otherwise dispose of public land owned by it in accordance with this section.
- (2) Public land that is leased for any period by a council remains public land during that period.
- (3) A resolution of the council to sell, lease, donate, exchange or otherwise dispose of public land is to be passed by an absolute majority.
- (4) If a council intends to sell, lease, donate, exchange or otherwise dispose of public land, the general manager is to–
  - (a) publish that intention on at least 2 separate occasions in a daily newspaper circulating in the municipal area; and
  - (ab) display a copy of the notice on any boundary of the public land that abuts a highway; and
  - (b) notify the public that objection to the proposed sale, lease, donation, exchange or disposal may be made to the general manager within 21 days of the date of the first publication.
- (5) If the general manager does not receive any objection under [subsection \(4\)](#) and an appeal is not made under [section 178A](#) , the council may sell, lease, donate,

*exchange or otherwise dispose of public land in accordance with its intention as published under [subsection \(4\)](#) .*

- (6) The council must –*
  - (a) consider any objection lodged; and*
  - (b) by notice in writing within 7 days after making a decision to take or not to take any action under this section, advise any person who lodged an objection of –*
    - (i) that decision; and*
    - (ii) the right to appeal against that decision under [section 178A](#) .*
- (7) The council must not decide to take any action under this section if –*
  - (a) any objection lodged under this section is being considered; or*
  - (b) an appeal made under [section 178A](#) has not yet been determined; or*
  - (c) the Appeal Tribunal has made a determination under [section 178B\(b\)](#) or [\(c\)](#) .*
- (8) . . . . .*

**DETAIL**

Subsequent to the decision made by Council at its meeting held in December 2020, the following update is provided:

- 1. A fresh Valuation has been obtained and the property has been valued at \$110,000. This is the entire property and the value has not been adjusted to take into account the removal of a strip of land to facilitate access to the rear of the IGA Supermarket and High Street shops. It is envisaged that the value would only be reduced marginally and an adjustment to the valuation can be made upon completion of the subdivision process.
- 2. The Department of Health has provided ‘in-principle’ approval to purchase the land; and
- 3. In relation to the access strip, whilst there are a range of options, it is recommended that Council retain a strip of 8 metres which would be subdivided and dedicated as Public Road.  
Note: the absolute minimum would be 8.0 metres and could extend to width of 15 metres depending on the extent of landscaping or services to be placed within the roadway.

As referred to above, the property is classified as Public Land. It follows that the process involves an initial decision (to be passed by an absolute majority) that Council intends to dispose of ‘public land’. This intention is then advertised on two separate occasions to notify the public and allow a 21 day period for objection.

Council then makes a final decision based on the outcome of this notification process, and any final decision is subject to appeal.

**Human Resources & Financial Implications** – Noting the comments provided above, the property has been valued at \$110,000.

**Community Consultation & Public Relations Implications** – Refer comment above.

**Policy Implications** – N/A

**Priority - Implementation Time Frame** – N/A.

## RECOMMENDATION

### THAT:

- a) the information be received;
- b) Council proceed to subdivide a strip of land (width of 8 Metres) off the western side of the property for the purpose of facilitating access to the lots at the rear of the IGA Supermarket and High Street shops;
- c) in accordance with section 178 of the *Local Government Act 1993*, Council resolve (by absolute majority) of its intent to sell 27 Church Street, Oatlands (PID 7559499 – Total Area 5053m<sup>2</sup> less subdivided strip -; CT 39750/1) to the Department of Health; and
- d) Council proceed to publish this intention on at least 2 separate occasion in the Mercury Newspaper and comply with the other legislative requirements relating to the sale of public land.

### 16.3.1 Monthly Financial Statement (period ending 31 May 2021)

**Author:** FINANCE OFFICER (MANDY BURBURY)

**Date:** 8 JUNE 2021

#### ISSUE

Provide the Financial Report for the period ending 31<sup>st</sup> May 2021.

#### BACKGROUND

The format of the Operating Expenditure Report has been amended to include a Year To Date (YTD) Budget Column, with variations (and percentage) based on YTD Budgets – as opposed to total annual Budget.

Note: Depreciation is calculated on an annual basis at the end of the financial year and therefore the budget for depreciation is included in the June period.

#### DETAIL

The enclosed Report incorporates the following: -

- Statement of Comprehensive Income – 1 July 2020 to 31 May 2021.
- Operating Expenditure Budget Report – 1 July 2020 to 31 May 2021.
- Capital Expenditure Estimates – as at to 31 May 2021.
- Cash Flow Statement – 1 July 2020 to 31 May 2021.
- Rates & Charges – as at 13 June 2021.

#### OPERATING EXPENDITURE ESTIMATES (OPERATING BUDGET)

Overall operating expenditure to end of January was \$6,594,292, which represents 93.3% of the Year to Date Budget.

Whilst there are some variations within the individual Program Budgets (refer following comments), expenditure is consistent with the Budget.

#### ***Strategic Theme - Infrastructure***

Nil.

#### ***Strategic Theme – Growth***

Nil.

**Strategic Theme – Landscapes**

**Sub-Program – Regulatory - Animals** - expenditure to date (\$103,813 – 110.66%). Additional expenditure relates largely to wages. The cost of legal advice associated with this Program has also exceeded the budgeted estimate.

**Strategic Theme – Community**

Nil.

**Strategic Theme – Organisation**

Nil.

**CAPITAL EXPENDITURE PROGRAM**

**Strategic Theme – Landscapes**

**Sub-Program – Heritage**

Callington Mill (Asset Renewal) expenditure to date is \$105,922 (budget \$20,000). While the elevated work platform and scaffolding were in place, extensive maintenance was carried out on the Mill tower, including painting, repointing and sash window repairs. There will be no further planned maintenance on the tower for the next few years.

**RECOMMENDATION**

### 16.3.3 2021/2022 Annual Plan & Budgets (Operating & Capital)

**Author:** FINANCE OFFICER (MANDY BURBURY)

**Date:** 16 JUNE 2021

**Attachment(s):**

*Attachment 1 – 2021/22 Annual Plan & Operating Budget*

*Attachment 2 – 2021/22 Capital Works Program Budget Estimates*

#### ISSUE

Formal adoption of the 2021/22 Annual Plan and Budget (Operating and Capital).

#### BACKGROUND

Under section 71 of the *Local Government Act 1993*, Council is required to have an annual plan.

Section 82 of the *Local Government Act 1993* (the Act) requires the General Manager to prepare estimates of the Council's revenue and expenditure for each financial year. The Council's 2021/22 Budget estimates have been prepared in accordance with the Act.

#### DETAIL

The following documents have been updated following the workshops held 31<sup>st</sup> May and 7<sup>th</sup> June 2021.

1. 2021/22 Annual Plan and Program Budget (Operating);
2. 2021/22 Capital Expenditure Program Budget Estimates

The documents are submitted for formal endorsement and approval at this meeting.

#### **Commentary**

#### **2021/22 BUDGET**

The Annual Plan aligns to those strategies identified in the Southern Midlands Council Strategic Plan 2020 to 2029. The specific actions have been extracted and included in the Annual Plan under each of the respective Programs.

The Annual Plan is coupled to the budget development process recognising the direct influence on the allocation of resources.

The key features of the 2021/22 Budget estimates are:

- Total estimated operating revenue of \$11.557 million
- Total estimated operating expenditure of \$11.975 million
- Total estimated depreciation and asset write off of \$3.004 million
- Estimated net operating deficit of \$418K in comparison to the Long Term Financial Management Plan deficit of \$259K

- Total estimated capital expenditure of \$7.527 million (excluding carry forward amounts unspent)
- Total estimated capital grant funding of \$3.063 million
- Total estimated asset sales of \$422K
- New borrowings - Nil
- Increase in total Rates collected of \$201K – the total increase includes an increase in Waste Management Program charges (i.e. Waste Management Levy and Household Collection Charge) of \$174,000, the Fire Service Levy \$10,000, and the balance of \$17,000 resulting from growth in the Rate base.

Section 82 of the Act requires the General Manager to prepare estimates of the Council's revenue and expenditure for each financial year. Section (82 (2) and (3) read as follows:

**“82. Estimates**

....

- (2) *Estimates are to contain detail of the following:*
- (a) the estimated revenue of the council;*
  - (b) the estimated expenditure of the council;*
  - (c) the estimated borrowings of the council;*
  - (d) the estimated capital works of the council;*
  - (e) any other detail required by the Minister.*
- (3) *Estimates for each financial year must –*
- (a) be adopted by the council, with or without alteration, by absolute majority; and*
  - (b) be adopted before 31 August in each financial year; and*
  - (c) not be adopted more than one month before the start of that financial year.”*

The following Attachments are included:

- Attachment 1 – 2021/22 Annual Plan and Operating Budget
- Attachment 2 – 2021/22 Capital Works Program Budget Estimates

**Budgeted Operating Income and Expenditure 2021/22**

The net operating result is a deficit of \$418K exclusive of capital funding and net revenue from sale of assets. This compares to a \$388K deficit forecast for 2020/21.

This operating position has resulted primarily through an increase in Operating revenue of \$469K, and an increase in Operating expenditure of \$499K.

## REVENUE

### Revenue – Rating Income

**General Rate** - The Budget is based on a nil increase in General Rates. Variations in the rate base have resulted in an overall increase of \$17,394 on the amount demanded in 2020/21.

**Fire Service Levy** – the Fire Service Levy is an amount determined by the State Fire Commission under the *Fire Service Act 1979*, which Council is required to collect. The Levy is paid direct to the Commission, less retention of 4% commission.

<b>Fire Service Levy</b>	<b>2020/21</b>	<b>2021/22</b>
Oatlands and Kempton Volunteer Fire Brigade Rating District	0.3975c in \$AAV (Minimum \$41)	0.4053c in \$AAV (Minimum \$42)
Rural Land Other	0.3612c in \$AAV (Minimum \$41)	0.37483c in \$AAV (Minimum \$42)

The total levy to be collected in 2021/22 is \$245,179 – an increase of \$11,272 or 4.81%.

**Waste Management Levy** – this is a charge levied on all rateable land. Multiple charges are levied where there is more than one dwelling on the property capable of being occupied.

<b>Waste Management Charge</b>	<b>2020/21</b>	<b>2021/22</b>
	\$180 (Occupied)	\$220 (Occupied)
	\$60 (Vacant Allotment)	\$76 (Vacant Allotment)

The need to increase the Waste Management Charge is influenced by:

- The ever-increasing amount of waste that this being disposed of at the Stations and the resultant transport / disposal costs;
- Significant increase in the costs per tonne being levied at the landfill disposal sites; and
- A decision by Council to ensure that the cost of operating our Waste Transfer Stations is fully offset by a specific charge for that service. In previous years those operating costs have been partially funded by General Rate revenue.

**Household Collection Charge** - This charge is only levied on properties that receive the fortnightly collection service. The level of charges must be sufficient to meet the total cost of providing the services (both domestic and recycling).

<b>Household Garbage and Kerbside Recycling Charge</b>	<b>2020/21</b>	<b>2021/22</b>
	\$178	\$195

The increase in annual charge reflects the higher cost of collection and subsequent disposal at landfill and/or the recycling centre.

**Revenue - Operating Grants (excludes Capital Grants)** - Budgeted Operating Grant Income of \$3.619 million (\$3.564 million in 2020/21).

The total budgeted amount relates solely to the General Purpose Financial Assistance Grant (FAGS) provided by the Australian Government. An increase of 2.5% has been forecast.

**Revenue Other** - The 2021/22 Budget for Other Revenue (\$82K) relates to Heavy Vehicle Licence Fees (\$11,700), Subsidiary Dividend from Heritage Building Solutions (\$10,000), Local Government Loans Program Interest Subsidy on the Oatlands Aquatic Centre Loan (\$52,231), MAIB Reimbursements for SES unit (\$8,500).

**Investment Revenue from Water Corporation** - The 2021/22 Budget for Investment Revenue (\$182,400) relates to distributions received from the Tasmanian Water Corporation (TasWater). The level of distribution is determined by the percentage of ownership. The Southern Midlands Council holds a 0.76% ownership in TasWater. We are expecting to receive our full annual distribution of \$152K in 2021/22, plus \$30,400 of previously forgone dividends of \$152K (to be paid out over 5 years).

## **EXPENDITURE**

**Employee Expenses** - Employee expenses are budgeted to increase by \$273,829. This is due to:

- a) A salary increment payable from 1<sup>st</sup> July 2021;
- b) An increase in maintenance requirements for parks and reserves; and
- c) Additional positions to be filled for the operation of the Oatlands Aquatic Centre from February 2022.

The amount of Employee Expenses in the Operating Budget is also influenced by the extent of Capital Works undertaken by Council employees (i.e. Wages are allocated in the Capital Budget).

**Materials & Contracts** - The budgeted amount of \$3.358 million represents a 5.1 percentage increase above the forecast 2020/21 allocation. This is due to:

- a) Operating expenses relating to the Oatlands Aquatic Centre from February 2022; and
- b) Continued increases in payments to external Contractors to provide waste collection, transport and disposal services.

## 16.3.4 Adoption of the 2021 / 2022 Rates and Charges Resolution

**Author:** FINANCE OFFICER (MANDY BURBURY)

**Date:** 16 JUNE 2021

### ISSUE

Formal adoption of the 2021 / 2022 Rates and Charges Resolution under the *Local Government Act 1993* and the *Fire Service Act 1979*.

### DETAIL

The following Rates & Charges Resolution (draft) has been based on the outcome of discussions through the budget workshops.

### 2021 / 2022 RATES AND CHARGES RESOLUTION - SOUTHERN MIDLANDS COUNCIL

THAT under the *Local Government Act 1993* and the *Fire Service Act 1979*, the Southern Midlands Council has made the following rates and charges upon rateable land within the municipal area of Southern Midlands (“the municipal area”):

#### 1. General Rates

- a) Pursuant to section 90 of the *Local Government Act 1993* (“the Act”) Council makes a general rate of 8.6073 cents in each dollar of Assessed Annual Value for all rateable land within the municipal area shown on the valuation list prepared under the *Valuation of Land Act 2001* (“the valuation list”), subject to a minimum amount of \$320.00
- b) Under section 107 (1) (a) of the *Local Government Act 1993* (“the Act”) Council declares that the general rate varies within the municipal area according to use or predominant use of land as follows:
  - i) for land used or predominately used for primary production, the general rate is reduced by 0.4980 cents in each dollar of Assessed Annual Value, subject to a minimum of \$320; and
  - ii) for land used or predominantly used for residential purposes (excluding vacant residential), the general rate is reduced by 1.0232 cents in each dollar of Assessed Annual Value, subject to a minimum of \$320; and
  - iii) for land classed or used as vacant residential, the general rate is reduced by 0.8633 cents in each dollar of Assessed Annual Value, subject to a minimum amount of \$320.00

#### 2. Waste Management Charge

Under section 94 (1) of the Act Council makes a separate services charge in respect of the service of waste management called the Waste Management Charge upon all rateable land, which is capable of use for residential purposes, and Council declares that the charge is to be calculated in accordance with the following formulae:

- a) for rateable land upon which a dwelling or dwellings are constructed:

Waste Management Charge = \$220 x D, where D is the number of dwellings on the rateable land, capable of being occupied.

- b) for rateable land upon which no dwelling is constructed:

Waste Management Charge = \$76.00

### **3. Garbage Removal Charge**

- a) Under section 94 (1) of the Act Council makes a separate services charge of \$195.00 in respect of the service of waste management called the Garbage Removal Charge upon all rateable land.
- b) Under section 94 (3A) of the Act the Council declares that the Garbage Removal Charge is varied according to the level of service provided as follows:
- (i) for the land identified by Property Identification Number 3124789 the charge is \$4,095.00;
  - (ii) for land to which the Council does not provide a fortnightly garbage removal service and kerbside recycling service, the charge is zero.

### **4. Fire Service Contributions**

For the Council's contribution to the State Fire Commission:-

- (a) for land within the Oatlands & Kempton Volunteer Brigade Rating District an amount of 0.40530 cents in the dollar on the assessed annual value of all rateable land subject to a minimum amount of \$42.00;
- (b) for all other land in the municipal area an amount of 0.37483 cents in the dollar on the assessed annual value of the land subject to a minimum amount of \$42.00.

### **5. Instalments**

These rates and charges are for the year commencing 1st July, 2021 and ending 30th June 2022 and are payable by 4 equal instalments, the first payable 30 days after the issue of the rates notices, the second by 4.30 p.m. on 30<sup>th</sup> November 2021, the third by 4.30 p.m. on 31<sup>st</sup> January 2022 and the fourth by 4.30 p.m. on 31<sup>st</sup> March 2022.

Where a ratepayer elects to enter into an arrangement to pay the current rates and charges by monthly, fortnightly, or weekly instalments via one of the electronic payment options (including direct debit), then the instalment amounts will be calculated to settle the debt by 30<sup>th</sup> June 2022. Penalty and interest will not be applied on any of the 2021-22 rates and charges at the relevant date, provided that the instalment arrangements are adhered to. In the event of default, penalty and interest is to be calculated on the outstanding amounts.

### **6. Late Payments**

- a) Penalty: A penalty of 5% applies to any rate or charge that is not paid on or before the date it falls due.

- b) Interest: In addition to the penalty, interest under section 128 of the *Local Government Act 1993* will be charged at the rate of 6.8% per annum.

## **7. Discount**

A discount of 1.7% will apply to all rates and charges paid in full within 30 days after the date of issue. This discount is not applicable to rates and charges which are paid in instalments. The payment due date will appear on the rates notice.

## **RECOMMENDATION**

**THAT Council adopt the 2021-2022 Rates and Charges resolution as presented.**

### 16.3.5 Adoption of Schedule of Fees and Charges 2021-2022

**Author:** GENERAL MANAGER (TIM KIRKWOOD)

**Date:** 10 JUNE 2021

**Attachment(s):**

*Schedule of Fees and Charges 2021-2022*

#### INTRODUCTION

The purpose of this report is to confirm and adopt the Schedule of Fees and Charges for the upcoming 2021-2022 financial year.

#### BACKGROUND

In order to charge a fee for goods and services it is a requirement of Division 7 of the *Local Government Act 1993* (“the Act”) that Council must first specify the fee and include such a fee in the “Schedule of Fees and Charges”. An extract from the Act is provided as follows:

*Division 7 - Fees and charges*

*205. Fees and charges*

- 1) In addition to any other power to impose fees and charges but subject to subsection , a council may impose fees and charges in respect of any one or all of the following matters:
  - a. the use of any property or facility owned, controlled, managed or maintained by the council;*
  - b. services supplied at a person's request;*
  - c. carrying out work at a person's request;*
  - d. providing information or materials, or providing copies of, or extracts from, records of the council;*
  - e. any application to the council;*
  - f. any licence, permit, registration or authorization granted by the council;*
  - g. any other prescribed matter.**
- 2) A council may not impose a fee or charge in respect of a matter if –
  - a. a fee or charge is prescribed in respect of that matter; or*
  - b. this or any other Act provides that a fee or charge is not payable in respect of that matter.**
- 3) Any fee or charge under subsection (1) need not be fixed by reference to the cost to the council.*

*206. List of fees and charges*

*A general manager of a council is to –*

- a) keep a list of all fees and charges fixed under this Division; and*
- b) make the list available for public inspection during ordinary hours of business at the public office.*

*207. Remission of fees and charges*

*A council may remit all or part of any fee or charge paid or payable under this Division.*

In considering the fees and charges Council are reminded that the schedule of fees for Waste Transfer Disposal was adopted by Council separately at the October 2020 meeting, and the schedule of fees for Animal Control was adopted by Council separately at the April 2021 meeting. Accordingly these components of the proposed schedule are not under consideration.

## **DETAIL**

The fees and charges of the Southern Midlands Council are captured in the succinct document *Schedule of Fees and Charges: 2020-2021*. The document is typically reviewed each financial year to account for changes to legislation, review of services and review of charges in line with other Councils in Tasmania.

The current *Schedule of Fees and Charges: 2020-2021* is based on the Schedule adopted in June 2019, *Schedule of Fees and Charges: 2019-2020*. A decision was made that Council would not increase fees and charges in 2020-2021 due the impact of Covid-19.

The 2019-2020 schedule followed a review and included several specific fee increases for complicated Planning Scheme Amendment Applications; amendments to Building Permits and a minor fee increase to the “Right to Information” application in line with the fee set by the Department of Justice. The 2019 review also factored in CPI increases for the prior 3 years (i.e. through to the period ending March 2019).

## **DISCUSSION**

The cumulative CPI increase from the March quarter 2020 to the March quarter 2021 for Hobart is 3.3%. That is based on the percentage change from the March Quarter from the previous year:

- March 2020 – 2.2%
- March 2021 – 1.1%

*Source: Consumer Price Index, Abs Cat No 6401.0: Table 1.2*

Council may elect to apply this combined increase (i.e. 3.3%) to the current schedule of fees (rounded to the nearest \$5), or alternatively, maintain the current level of fees and adjust next financial year. This being consistent with the last 3 year review period.

It is recommended that Council adopt the latter approach and approve the attached *SMC - Schedule of Fees and Charges: 2021-2022* (based on the 2020-21 Schedule), noting that the Animal Control Fees, Waste Transfer Disposal Fees and other statutory charges (Right to Information, Code of Conduct Complaints) are adjusted automatically.

**Human Resources & Financial Implications** – Refer comment provided.

**Community Consultation & Public Relations Implications** – The adopted Fees will be displayed on the website and are available at each Council Office. Ratepayers and members of the public can also request a copy of the Schedule.

**Priority - Implementation Time Frame** - The 2021-2022 Schedule of Fees and Charges if adopted by Council will be effective from 1<sup>st</sup> July 2021.

**RECOMMENDATION**

**THAT:**

- A. This report be received by Council; and**
- B. The Schedule of Fees and Charges for 2021-2022 be adopted.**
