## Changes to public transport in the Central Highlands and Southern Midlands

The Tasmanian Government is making changes to public transport in the Central Highlands and Southern Midlands. While changes are being implemented it is proposed that Area Connect will provide interim services to residents living in Kempton and surrounding areas

**Come along to our transport forum and tell us what you need in your community!**

**When:** Tuesday 11th December 6pm

**Where:** Kempton recreational grounds, Main Rd Kempton

**Who will be there:** Representatives from the Department of State Growth and Area Connect

**To RSVP and to find out more information:**
