Dear Sir/Madam

NOTICE OF MEETING

Notice is hereby given that the next ordinary meeting of Council will be held on

Date: Wednesday, 14th December 2016
Time: 2.00 p.m.
Venue: Kempton Municipal Offices, 85 Main Street, Kempton

I certify under s.65(2) of the *Local Government Act 1993* that the matters to be discussed under this agenda have been, where necessary, the subject of advice from a suitably qualified person and that such advice has been taken into account in providing any general advice to the Council.

Councillors please note:

- Rosanna Lacorcia (Community Affairs Manager, NBN Co) to brief Council at 3.00 p.m.
- Public Question Time has been scheduled for 3.30 p.m.
- Council AGM to be held following this meeting at 5.00 p.m.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Tim Kirkwood', written in a cursive style.

Tim Kirkwood
GENERAL MANAGER

OPEN COUNCIL AGENDA

1. PRAYERS

Rev Dennis Cousens to recite prayers.

5.4 Joint Authorities (Established Under Division 4 Of The Local Government Act 1993)

5.4.1 JOINT AUTHORITIES - RECEIPT OF MINUTES

The Minutes of the following Joint Authority Meeting, as circulated, are submitted for receipt:

- **Southern Tasmanian Councils Authority – Nil.**

Note: Issues which require further consideration and decision by Council will be included as a separate Agenda Item, noting that Council's representative on the Joint Authority may provide additional comment in relation to any issue, or respond to any question.

DECISION NOT REQUIRED

5.4.2 JOINT AUTHORITIES - RECEIPT OF REPORTS (ANNUAL & QUARTERLY)

Section 36A of the Local Government Act 1993 provides the following;

36A. Annual reports of authorities

(1) A single authority or joint authority must submit an annual report to the single authority council or participating councils.

(2) The annual report of a single authority or joint authority is to include –

- (a) a statement of its activities during the preceding financial year; and*
- (b) a statement of its performance in relation to the goals and objectives set for the preceding financial year; and*
- (c) the financial statements for the preceding financial year; and*
- (d) a copy of the audit opinion for the preceding financial year; and*
- (e) any other information it considers appropriate or necessary to inform the single authority council or participating councils of its performance and progress during the financial year.*

Section 36B of the Local Government Act 1993 provides the following;

36B. Quarterly reports of authorities

(1) A single authority or joint authority must submit to the single authority council or participating councils a report as soon as practicable after the end of March, June, September and December in each year.

(2) The quarterly report of the single authority or joint authority is to include –

- (a) a statement of its general performance; and*
- (b) a statement of its financial performance.*

Reports prepared by the following Joint Authorities, as circulated, are submitted for receipt:

- **Southern Tasmanian Councils Authority – Nil.**

DECISION NOT REQUIRED

6. NOTIFICATION OF COUNCIL WORKSHOPS

In accordance with the requirements of the *Local Government (Meeting Procedures) Regulations 2005*, the Agenda is to include details of any Council workshop held since the last meeting.

No workshops have been held since the previous Council Meeting.

RECOMMENDATION

THAT the information be received.

DECISION

Councillor	Vote FOR	Vote AGAINST
Mayor A E Bisdee OAM		
Dep. Mayor A O Green

7. QUESTIONS WITHOUT NOTICE

An opportunity is provided for Councillors to ask questions relating to Council business, previous Agenda items or issues of a general nature.

1.

2.

3.

4.

5.

8. DECLARATIONS OF PECUNIARY INTEREST

In accordance with the requirements of Part 2 Regulation 8 of the *Local Government (Meeting Procedures) Regulations 2005*, the chairman of a meeting is to request Councillors to indicate whether they have, or are likely to have, a pecuniary interest in any item on the Agenda.

Accordingly, Councillors are requested to advise of a pecuniary interest they may have in respect to any matter on the agenda, or any supplementary item to the agenda, which Council has resolved to deal with, in accordance with Part 2 Regulation 8 (6) of the *Local Government (Meeting Procedures) Regulations 2005*.

9. CONSIDERATION OF SUPPLEMENTARY ITEMS TO THE AGENDA

In accordance with the requirements of Part 2 Regulation 8 (6) of the *Local Government (Meeting Procedures) Regulations 2005*, the Council, by absolute majority may decide at an ordinary meeting to deal with a matter that is not on the agenda if the General Manager has reported –

- (a) the reason it was not possible to include the matter on the agenda; and
- (b) that the matter is urgent; and
- (c) that advice has been provided under section 65 of the Act.

RECOMMENDATION

THAT the Council resolve by absolute majority to deal with any supplementary items not appearing on the agenda, as reported by the General Manager in accordance with the provisions of the *Local Government (Meeting Procedures) Regulations 2005*.

DECISION

Councillor	Vote FOR	Vote AGAINST
Mayor A E Bisdee OAM		
Dep. Mayor A O Green		
Clr A R Bantick		
Clr E Batt		
Clr R Campbell		
Clr D F Fish		
Clr D Marshall		

10. PUBLIC QUESTION TIME (SCHEDULED FOR 3.30 PM)

In accordance with the requirements of Part 2 Regulation 8 of the *Local Government (Meeting Procedures) Regulations 2005*, the agenda is to make provision for public question time.

In particular, Regulation 31 of the *Local Government (Meeting Procedures) Regulations 2005* states:

- (1) *Members of the public may give written notice to the General Manager 7 days before an ordinary meeting of Council of a question to be asked at the meeting.*
- (2) *The chairperson may –*
 - (a) *address questions on notice submitted by members of the public; and*
 - (b) *invite any member of the public present at an ordinary meeting to ask questions relating to the activities of the Council.*
- (3) *The chairperson at an ordinary meeting of a council must ensure that, if required, at least 15 minutes of that meeting is made available for questions by members of the public.*
- (4) *A question by any member of the public under this regulation and an answer to that question are not to be debated.*
- (5) *The chairperson may –*
 - (a) *refuse to accept a question; or*
 - (b) *require a question to be put on notice and in writing to be answered at a later meeting.*
- (6) *If the chairperson refuses to accept a question, the chairperson is to give reasons for doing so.*

Councillors are advised that, at the time of issuing the Agenda, no Questions on Notice had been received from members of the Public.

Mayor A E Bisdee OAM to invite questions from members of the public.

10.1 Permission to Address Council

Permission has been granted for the following person(s) to address Council:

- Rosanna Lacordia (Community Affairs Manager, NBN Co) will address Council at 3.00 p.m.

**11. MOTIONS OF WHICH NOTICE HAS BEEN GIVEN UNDER
REGULATION 16 (5) OF THE LOCAL GOVERNMENT
(MEETING PROCEDURES) REGULATIONS 2005**

Nil.

12. COUNCIL ACTING AS A PLANNING AUTHORITY PURSUANT TO THE LAND USE PLANNING AND APPROVALS ACT 1993 AND COUNCIL'S STATUTORY LAND USE PLANNING SCHEME

Session of Council sitting as a Planning Authority pursuant to the Land Use Planning and Approvals Act 1993 and Council's statutory land use planning schemes.

12.1 DEVELOPMENT APPLICATIONS

12.1.1 DEVELOPMENT APPLICATION (DA 2016/72) FOR A PROPOSED SHIPPING CONTAINER AT OATLANDS PRIMARY SCHOOL, WELLINGTON STREET, OATLANDS (CT 150415/1), OWNED BY DEPARTMENT OF EDUCATION

Author: MANAGER, DEVELOPMENT & ENVIRONMENTAL SERVICES (DAVID CUNDALL)

Date: 6 DECEMBER 2016

Attachment:

Development Application

PROPOSAL

The Applicant Oatlands District High School on behalf of the Department of Education has applied to the Southern Midlands Council for a Permit under the *Land Use Planning and Approvals Act 1993* ("the Act") to place a shipping container adjacent to children's play equipment at the Primary School.

The Applicant states that the intended use of the shipping container is for creative play for the students.

The application has been lodged under the *Southern Midlands Interim Planning Scheme 2015* ("the Planning Scheme").

The land and is zoned Community Purpose and is within the Oatlands Heritage Precinct. The land forms part of the Oatlands School site. The location of the container is on the Wellington Street side.

Under the Planning Scheme the proposal is defined as development associated with the existing "Educational and Occasional Care" use of the land. The proposal is to be assessed against the development standards of the zone and the development standards of the applicable Codes. These matters are described and assessed in this report.

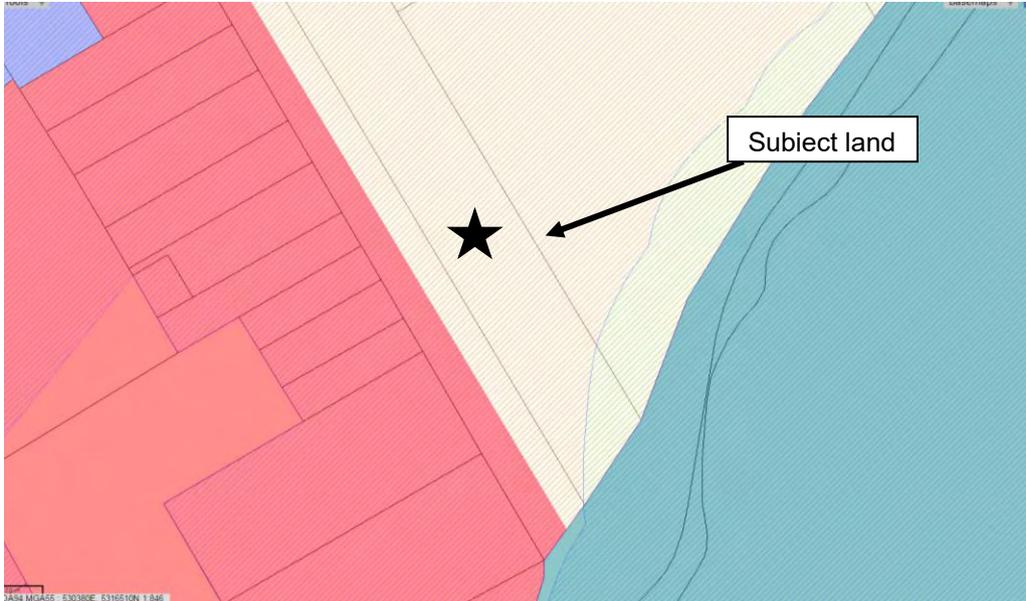

A permit for this type of development is considered at the discretion of Council.

The Council gave notice of the application for public comment for 14 days. No representations were received.

This report will assess the proposal against the relevant provisions of the Act and the Scheme. It is recommended that Council refuse to grant a permit.

THE SITE

Map 1 below shows the land zoning and location of the property.

Map 1_ The light pink land, coloured land is the community purpose zone shown with the heritage precinct overlay. The subject property is marked with an arrow and annotation. The location of the proposed shipping container is marked approximately by the black star. The adjoining red coloured land is the Residential Zone.

Map 2 _ Aerial image of the land. The black star marks the location of the proposed shipping container. The aerial image is dated January 2011. There has been further development of the site since then.

THE APPLICATION

The Applicant has submitted the attached Plans and Drawings to accompany the Development Application form.

Council Officers have conducted site visits and discussed the application with the Applicant on several occasions.

The Applicant has been informed that Officers will recommend to Council, that Council refuse to grant a permit.

USE/DEVELOPMENT DEFINITION

The proposed use and development is defined, under the Planning Scheme, as development associated with the existing 'Educational and Occasional Care' Use. Under the Scheme, and the Act, a shipping container is regarded as a "building" and therefore "development".

Use/Development Status under the Planning Scheme

A development that does not comply with the acceptable solutions for the zone and is within the Heritage Overlay must be considered at the discretion of the Council.

As a discretionary development, the application was advertised in accordance with Section 57 of the Act. Accordingly Council has the discretion to grant a permit or refuse to grant a permit.

PUBLIC NOTIFICATION AND REPRESENTATIONS

The application was advertised on the 31st October 2016 for fourteen (14) days. During this period Council did not receive any representations.

ASSESSMENT - THE SOUTHERN MIDLANDS INTERIM PLANNING SCHEME

Community Purpose Zone

The subject site is in the Community Purpose Zone. The proposal must satisfy the requirements of the following relevant development standards of this zone:

Building Height		
To ensure that building height contributes positively to the streetscape and does not result in unreasonable impact on residential amenity of land in a residential zone.		
Acceptable Solutions	Performance Criteria	OFFICER COMMENT
A1 Building height must be no more than: 9 m.	P1 Building height must satisfy all of the following: (a) be consistent with any Desired Future Character Statements provided for the area; (b) be compatible with the scale of nearby	<i>The building complies with the Acceptable Solution.</i>

	buildings; (c) not unreasonably overshadow adjacent public space; (d) provide for a transition in height between adjoining buildings;	
A2 Building height within 10 m of a residential zone must be no more than 8.5 m	P2 Building height within 10 m of a residential zone must be compatible with the building height of existing buildings on adjoining lots in the residential zone.	<i>The building complies with the Acceptable Solution.</i>

Setback

To ensure that building setback contributes positively to the streetscape and does not result in unreasonable impact on residential amenity of land in a residential zone.

Acceptable Solutions	Performance Criteria	OFFICER COMMENT
A1 Building setback from frontage must be no less than: 4.5 m.	P1 Building setback from frontage must satisfy all of the following: (a) be consistent with any Desired Future Character Statements provided for the area; (b) be compatible with the setback of adjoining buildings, generally maintaining a continuous building line if evident in the streetscape; (c) enhance the characteristics of the site, adjoining lots and the streetscape; (d) provide for small variations in building alignment only where appropriate to break up long building facades, provided that no potential concealment or entrapment opportunity is created; (e) provide for large variations in building	<i>The building is 13m from the frontage. The building location complies with the Acceptable Solution.</i>

	alignment only where appropriate to provide for a forecourt for space for public use, such as outdoor dining or landscaping, provided that no potential concealment or entrapment opportunity is created and the forecourt is afforded very good passive surveillance.	
<p>A2</p> <p>Building setback from a residential zone must be no less than:</p> <p>(a) 3 m;</p> <p>(b) half the height of the wall,</p> <p>whichever is the greater.</p>	<p>P2</p> <p>Building setback from a residential zone must be sufficient to prevent unreasonable adverse impacts on residential amenity by:</p> <p>(a) overshadowing and reduction of sunlight to habitable rooms and private open space on adjoining lots to less than 3 hours between 9.00 am and 5.00 pm on June 21 or further decrease sunlight hours if already less than 3 hours;</p> <p>(b) overlooking and loss of privacy;</p> <p>(c) visual impact when viewed from adjoining lots,</p> <p>taking into account aspect and slope.</p>	<p><i>The building complies with the Acceptable Solution.</i></p>
<p>A3</p> <p>Building setback for buildings for sensitive use must comply with all of the following:</p> <p>(a) be sufficient to provide a separation distance from land zoned Rural Resource no less than 100 m;</p> <p>(b) be sufficient to provide a separation distance from land zoned Significant Agriculture no less than 200 m.</p>	<p>P3</p> <p>Building setback for buildings for sensitive use must be sufficient to prevent potential for land use conflict that would fetter resource development use of adjoining land.</p>	<p><i>There is not a rural resource zone or significant agriculture zone within 100m of the building.</i></p> <p><i>The building complies with the Acceptable Solution.</i></p>

Design		
To ensure that building design contributes positively to the streetscape, the amenity and safety of the public and adjoining land in a residential zone.		
Acceptable Solutions	Performance Criteria	OFFICER COMMENT
<p>A1</p> <p>Building design must comply with all of the following:</p> <p>(a) provide the main pedestrian entrance to the building so that it is clearly visible from the road or publicly accessible areas on the site;</p> <p>(b) for new building or alterations to an existing facade provide windows and door openings at ground floor level in the front façade no less than 40% of the surface area of the ground floor level facade;</p> <p>(c) for new building or alterations to an existing facade ensure any single expanse of blank wall in the ground level front façade and facades facing other public spaces is not greater than 50% of the length of the facade;</p> <p>(d) screen mechanical plant and miscellaneous equipment such as heat pumps, air conditioning units, switchboards, hot water units or similar from view from the street and other public spaces;</p> <p>(e) incorporate roof-top service infrastructure, including service plants and lift structures, within the design of the roof;</p> <p>(f) provide awnings over the public footpath if existing on the site or on</p>	<p>P1</p> <p>Building design must enhance the streetscape by satisfying all of the following:</p> <p>(a) provide the main access to the building in a way that addresses the street or other public space boundary;</p> <p>(b) provide windows in the front façade in a way that enhances the streetscape and provides for passive surveillance of public spaces;</p> <p>(c) treat large expanses of blank wall in the front façade and facing other public space boundaries with architectural detail or public art so as to contribute positively to the streetscape and public space;</p> <p>(d) ensure the visual impact of mechanical plant and miscellaneous equipment, such as heat pumps, air conditioning units, switchboards, hot water units or similar, is insignificant when viewed from the street;</p> <p>(e) ensure roof-top service infrastructure, including service plants and lift structures, is screened so as to have insignificant visual impact;</p>	<p><i>The shipping container will be visually prominent to the public on Wellington Street and in nearby houses.</i></p> <p><i>The proposed building design does not enhance the streetscape.</i></p> <p><i>The location of the shipping container does not comply with the objective or standard for this zone.</i></p>

<p>adjoining lots;</p> <p>(g) not include security shutters over windows or doors with a frontage to a street or public place.</p>	<p>(f) not provide awnings over the public footpath only if there is no benefit to the streetscape or pedestrian amenity or if not possible due to physical constraints;</p> <p>(g) only provide shutters where essential for the security of the premises and other alternatives for ensuring security are not feasible;</p> <p>(h) be consistent with any Desired Future Character Statements provided for the area.</p>	
<p>A2</p> <p>Walls of a building facing a residential zone must be coloured using colours with a light reflectance value not greater than 40 percent.</p>	<p>P2</p> <p>No Performance Criteria.</p>	<p><i>The external finishes of the building are a light grey and are does not comply with the Acceptable Solution.</i></p>

<p>Landscaping</p>		
<p>To ensure that a safe and attractive landscaping treatment enhances the appearance of the site and if relevant provides a visual break from land in a residential zone.</p>		
<p>Acceptable Solutions</p>	<p>Performance Criteria</p>	<p>OFFICER COMMENT</p>
<p>A1</p> <p>Landscaping must be provided along the frontage of a site (except where access is provided) unless the building has nil setback to frontage.</p>	<p>P1</p> <p>Landscaping must be provided to satisfy all of the following:</p> <p>(a) enhance the appearance of the development;</p> <p>(b) provide a range of plant height and forms to create diversity, interest and amenity;</p> <p>(c) not create concealed entrapment spaces;</p> <p>(d) be consistent with any Desired Future Character Statements</p>	<p><i>No landscaping is proposed to screen the shipping container from Wellington Street and the Residential Zone. There is no visual break between the building and the zone.</i></p> <p><i>The proposal does not comply with the Acceptable Solution.</i></p>

	provided for the area.	
A2 Along a boundary with a residential zone landscaping must be provided for a depth no less than: 2 m.	A2 Along a boundary with a residential zone landscaping must be provided for a depth no less than: 2 m.	<i>Though the land is adjacent to the residential zone it is not technically “along a boundary” with the residential zone, as the wellington street road reserve separates the zones. The standard does not apply.</i>

Outdoor Storage Areas

To ensure that outdoor storage areas for non-residential use do not detract from the appearance of the site or the locality.

Acceptable Solutions	Performance Criteria	OFFICER COMMENT
A1 Outdoor storage areas for non-residential uses must comply with all of the following: (a) be located behind the building line; (b) all goods and materials stored must be screened from public view; (c) not encroach upon car parking areas, driveways or landscaped areas.	P1 Outdoor storage areas for non-residential uses must satisfy all of the following: (a) be located, treated or screened to avoid unreasonable adverse impact on the visual amenity of the locality; (b) not encroach upon car parking areas, driveways or landscaped areas.	<i>The objective does not apply as the shipping container in this context is not an “outdoor storage area”</i>

Fencing

To ensure that fencing does not detract from the appearance of the site or the locality and provides for passive surveillance.

Acceptable Solutions	Performance Criteria	OFFICER COMMENT
A1 Fencing must comply with all of the following: (a) fences, walls and gates of greater height than 1.5 m must not be erected within 4.5 m of the frontage; (b) fences along a frontage must be at least 50% transparent above a height of 1.2 m;	P1 Fencing must contribute positively to the streetscape and not have an unreasonable adverse impact upon the amenity of land in a residential zone which lies opposite or shares a common boundary with a site, having regard to all of the following: (a) the height of the fence;	<i>No fencing is proposed. The standard does not apply.</i>

<p>(c) height of fences along a common boundary with land in a residential zone must be no more than 2.1 m and must not contain barbed wire.</p>	<p>(b) the degree of transparency of the fence;</p> <p>(c) the location and extent of the fence;</p> <p>(d) the design of the fence;</p> <p>(e) the fence materials and construction;</p> <p>(f) the nature of the use;</p> <p>(g) the characteristics of the site, the streetscape and the locality, including fences;</p> <p>(h) any Desired Future Character Statements provided for the area.</p>	
--	---	--

Parking and Access Code

The Parking and Access Code applies to all development irrespective of its status or relevancy to parking areas or access. In this instance no additional requirement for parking or new access or driveways is required. The proposal will not substantially intensify the use of the land. Assessment against the code, in this instance is unnecessary.

Stormwater Management Code

The stormwater code applies to all development requiring the management of stormwater. Stormwater from the building will likely be disposed to the satisfaction of the Plumbing Inspector i.e. to public stormwater system. The proposal would comply with the standards of the code.

Historic Heritage Code

The purpose of the Historic Heritage Code is to recognise and protect the historic cultural heritage significance of places, precincts, landscapes and areas of archaeological potential by regulating development that may impact on their values, features and characteristics.

E13.8.2 Buildings and Works other than Demolition		
To ensure that development undertaken within a heritage precinct is sympathetic to the character of the precinct.		
Acceptable Solutions	Performance Criteria	OFFICER COMMENT
A1 No Acceptable Solution	P1 Design and siting of buildings and works must not result in detriment to the historic cultural heritage significance of the precinct, as listed in Table E13.2.	<i>“Table 13.2” is included in this report.</i> <i>The proposal is not considered as an addition or extension to a building.</i> <i>The shipping container will be clearly visible to the public and the streetscape. The development is not sympathetic to the heritage precinct values.</i> <i>It does not comply with the performance criteria.</i>
A2 No Acceptable Solution	P2 Design and siting of buildings and works must comply with any relevant design criteria / conservation policy listed in Table E13.2, except if a heritage place of an architectural style different from that characterising the precinct.	<i>The location and design of the building does not comply with the Design Criteria of the Heritage Precinct.</i> <i>Does not comply with the performance criteria.</i>
A3 No Acceptable Solution	P3 Extensions to existing buildings must not detract from the historic cultural heritage significance of the precinct.	<i>The proposal is not considered as an addition or extension to a building.</i> <i>As a standalone structure, that does not comply with the basic design criteria - it is likely to detract from the heritage value of the township.</i>
A4 New front fences and gates must accord with original design, based on photographic, archaeological or other historical evidence.	P4 New front fences and gates must be sympathetic in design, (including height, form, scale and materials), and setback to the style, period and characteristics of the precinct.	<i>No fencing is proposed.</i>

TABLE 13.2 - Oatlands Township Precinct

The Oatlands Township Precinct is of historic cultural heritage significance because:

- a) it demonstrates a township comprising a concentration of highly intact historic buildings of the Old Colonial Georgian and Victorian Georgian styles;
- b) the density of historic buildings of similar architectural styles and periods in Oatlands contributes to a highly intact streetscape character;
- c) it demonstrates the evolution and settlement patterns of Tasmania in the early-mid nineteenth century, as a township transport routes joining the north and south of the State, and as an intended central capital associated with the pastoral activity of the Midlands area;
- d) its predominant building material of sandstone, as a source of local materials, and reflecting the differing economies of labour and construction at the time;
- e) it demonstrates the theme of convictism, through the use of sandstone, links to transport, and the many buildings in the township associated with convicts;
- f) it has the largest number of sandstone buildings within a township setting in Australia;

Design Criteria/Conservation Policy

- 1. The design and siting of buildings and works must satisfy the following criteria:**
 - a) scale, roof pitch, building height, form, bulk, rhythm, materials and colour of new buildings and additions to existing buildings should respect the principles of the Georgian architectural style dominant in the precinct, except if an addition to a heritage listed building of a non-dominant architectural style in which case consistency with that style is required;
 - b) building setback from frontage must provide a strong edge to Main Street and be parallel to the street;
 - c) buildings must address the street, unless at the rear of a site;
 - d) buildings must not visually dominate the streetscape or buildings at places listed in Table.13.1
 - e) architectural details and openings for windows and doors to visually prominent facades must respect the Georgian architectural style dominant in the precinct in terms of style, size, proportion and position;
 - f) external wall building material must be any of the following:
 - i. sandstone of a colour matching that commonly found in Oatlands' buildings
 - ii. weatherboard (traditional profiles);
 - iii. rendered, painted or lime wash brickwork;
 - iv. unpainted brick of a traditional form and colour laid with a traditional bond;
 - v. traditional Tasmanian vertical board (non-residential buildings only);
 - vi. corrugated profile steel cladding, painted/colorbond or galvanised iron (not 'zincalume' or similar) (outbuildings only);
 - g) roof form and material must be consistent with the following:
 - i. pitch between 30 and 40 degrees and hipped or gable if a major part of the building;
 - ii. pitch less than 30 degrees and skillion if a minor part of the building at the rear;

- iii. avoidance of large unbroken expanses of roof and very long roof lines
 - iv. roof material either custom orb (corrugated profile) sheeting, timber shingles, and slate. Steel sheeting must be either traditional galvanised iron or painted;
 - v. guttering is rounded profile, with downpipes of circular cross-section:
 - h) wall height sufficient to provide for lintels above doors and windows, with wall space above;
 - i) outbuildings generally to have a gabled, corrugated roof with an angle of pitch matching that of the primary building on the land, and with differentiated colouring of the exterior walls and roof so as to also approximate that of the primary building on the land;
 - j) fences along frontages must be:
 - a. (between 900mm and 1000mm high, with a maximum of 1200mm for posts;
 - b. (vertically articulated, (such as with dowel-and-rail, picket or palisade fences);
 - c. “semi-transparent” in appearance, that is, the distance between dowels or pickets, etc., must be such that the fence does not appear ‘solid’.
- 2. Subdivision must satisfy the following criteria:**
- a) maintain and extend the existing recto-linear grid pattern of streets;
 - b) provide for a variety of lot sizes;
 - c) where appropriate off High Street provide a traditional ‘soft edge’ design approach for stormwater and footpath works.

CONCLUSION

The report has assessed a Development Application for a proposed Shipping Container at the Oatlands Primary School. A shipping container is regarded as a building and therefore development.

The school intends to use the shipping container for a form of creative play for the students.

The design and location of the shipping container will be clearly visible to the streetscape and the public. Shipping containers in such locations do not conform with the design criteria for buildings in the Oatlands Heritage Precinct and do not conform with the development standards for the zone.

It is likely a shipping container, in this location, will detract from both the amenity of the streetscape and detract from the heritage values of the township. It conflicts with the purpose of the Heritage Code and objectives of the Community Purpose Zone.

It is recommended that Council refuse to grant a permit for this development on the “Grounds of Refusal” provided in the “Recommendation” section of this report.

RECOMMENDATION

THAT, in accordance with the provisions of the *Southern Midlands Interim Planning Scheme 2015* and section 57 of the *Land Use Planning & Approvals Act 1993*, Council REFUSE to grant a Permit for a Shipping Container at the Oatlands Primary School, Wellington Street, Oatlands (CT 150415/1), owned by Department of Education and THAT a Notification of Refusal to Grant a Planning Permit be issued with the following grounds:

GROUNDINGS OF REFUSAL

- A. The proposal does not comply with Part 17.4.3 objective and standards for building design in the Community Purpose Zone. In particular does not comply with clause 17.4.3 P1, and 17.4.3 P2**
- B. The proposal does not comply with Part E13.8.2 objective and standards for buildings and works in the Oatlands Township Precinct. In particular does not comply with clause E13.8.2 A1, E13.8.2 A2, and E13.8.2 A3**

13.12 Officer Reports – Works & Technical Services (Engineering)

13.12.1 MANAGER - WORKS & TECHNICAL SERVICES REPORT

Author: MANAGER WORKS & TECHNICAL SERVICES (JACK LYALL)

Date: 8 DECEMBER 2016

ROADS PROGRAM

Maintenance grading is underway in the Colebrook area (Yarlington Road) and Oatlands area.

Roadside slashing has commenced and Elderslie Road has been completed. Other side roads will be slashed in the first week of January 2017 and will continue on our normal run. Tunbridge area has been mowed and mower heading South.

WASTE MANAGEMENT PROGRAM

All sites are operating well.

TOWN FACILITIES PROGRAM

Grass cutting in townships is taking extra resources due to excessive spring growth.

15.1.1 HERITAGE PROJECT PROGRAM REPORT

Author: MANAGER HERITAGE PROJECTS (BRAD WILLIAMS)

Date: 9 DECEMBER 2016

ISSUE

Report from the Manager, Heritage Projects on various Southern Midlands Heritage Projects.

DETAIL

During the past month, Southern Midlands Council Heritage Projects have included:

- Work is progressing on the Oatlands Commissariat and 79 High Street, with stonemasonry works underway and the roof shingling on the shop/cottage near completion. The second progress report is to be submitted in early January.
- Ongoing liaison and supervision of volunteer and Artist in Residence programs.
- Council has been successful in obtaining a \$48,000 Tasmanian Community Fund grant for installation of access systems for heritage buildings (initially the Oatlands Court House, Gaol and Commissariat – with potential to expand to other sites), via a keycard access system.
- Simon Blight and Alan Townsend have been working on the design and installation of the Oatlands Gaoler's Residence interpretation and upgrade heritage collection storage facilities.
- Liaison with the Department of State Growth on Midlands Highway upgrades and associated heritage matters.
- Brad Williams has been on leave since November 21st.

Heritage Projects program staff have been involved in the following Heritage Building Solutions activities:

- Continued input into heritage aspects of various projects, including the formulation of a conservation management plan for a large estate in the Derwent Valley.
- Quoting on a number of projects around the southern Tasmania region.

Heritage Projects program staff have been involved in the following Heritage Education and Skills Centre activities:

- Drafting of the 2017 course program.

- Liaising with possible interstate training partners for delivery of HESC courses outside Tasmania as well as utilising interstate lecturers for local HESC courses.
- Strategic planning for future phases of the 5x5x5 project – a revised project plan will be discussed with the Tasmanian Community Fund on 20th December .

RECOMMENDATION

THAT the Heritage Projects Report be received and the information noted.

15.2.1 LANDCARE UNIT, GIS & CLIMATE CHANGE – GENERAL REPORT

Author: NRM PROGRAMS MANAGER (MARIA WEEDING)

Date: 6 DECEMBER 2016

Enclosure:

Lake Dulverton and Dulverton Walkway Action Plan (Draft) 2017 Edition

ISSUE

Southern Midlands Landcare Unit Monthly Report.

DETAIL

- Works relating to the Tasmanian Community Fund Dulverton Walking Track project continue. Minor works on the track surface is still required in one or two locations. Two quotes for the shelter shed were received. The shelter shed and the solar lights have been now been ordered.
- Helen Geard has been busy with weed issues. A letter in regard to Paterson's Curse has been sent to 125 landholders that have either got Paterson's Curse or are a close neighbour to someone with Paterson's Curse. Brighton, Glamorgan Spring Bay and Sorell Councils are also looking to take some action and/or closely monitor for this weed in their areas. The Department of Primary Industries, Parks, Water and Environment have also alerted us to keep a look out for Chilian Needle Grass, which is now close to the Southern Midlands boundary in the southern region.
- Helen Geard and Maria Weeding met with Northern Midlands Council Officer to look at the Blackman River in regard to a high density weed infestation that is chocking the river bed in times of flooding. Currently investigating options to try and have this combined gorse, blackberry and willow vegetation removed. The actual land in question is held by the Crown.
- Council's Works & Technical Services Manager, Jack Lyall and Maria Weeding met with an officer from Mineral Resources Tasmania in regard to the proposed relinquishment of the Southern Midlands Council's permit and lease on the St Peters Pass quarry.
- The Lake Dulverton & Dulverton Walkway Action Plan 2013 is being revised as many of the actions listed are now completed. Following the last meeting of the Lake Dulverton & Callington Park Management Committee the first draft of what will be the 2017 version of the plan is attached. Approval is sought from Council for the draft plan to go out for public consultation. It is proposed that ratepayers be notified of the draft plan in the January edition of the Ratepayer Newsletter. The draft plan would be available for perusal on the Council's website, with a hard copy available for inspection at the Oatlands and Kempton offices. Comments would be sought for approximately three weeks from when the Ratepayer Newsletter is circulated.

RECOMMENDATION

THAT

1. the Landcare Unit Report be received and the information noted; and
2. Council note the Draft Lake Dulverton and Dulverton Walkway Action Plan (2017 Edition) and agree that the plan go out for public comment in early 2017.

Local Government Shared Services - Council Update

Council

Southern Midlands

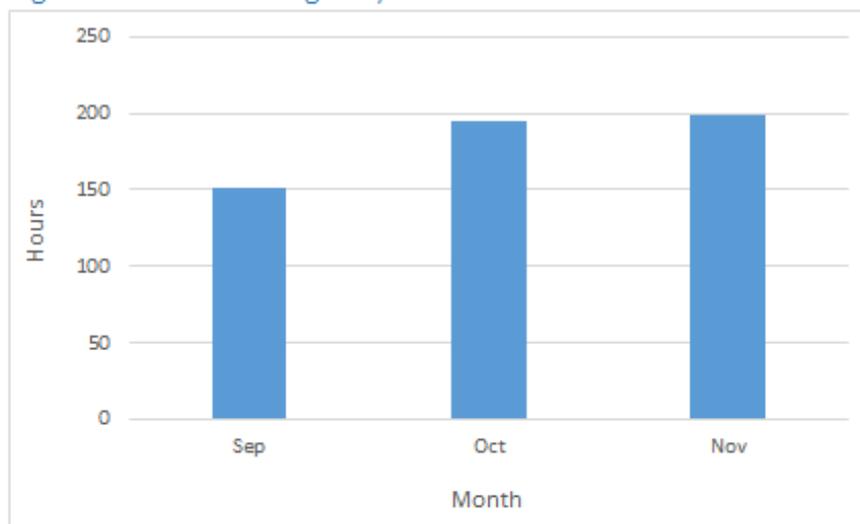

Shared Service Participation in November 2016

199 hours

Summary

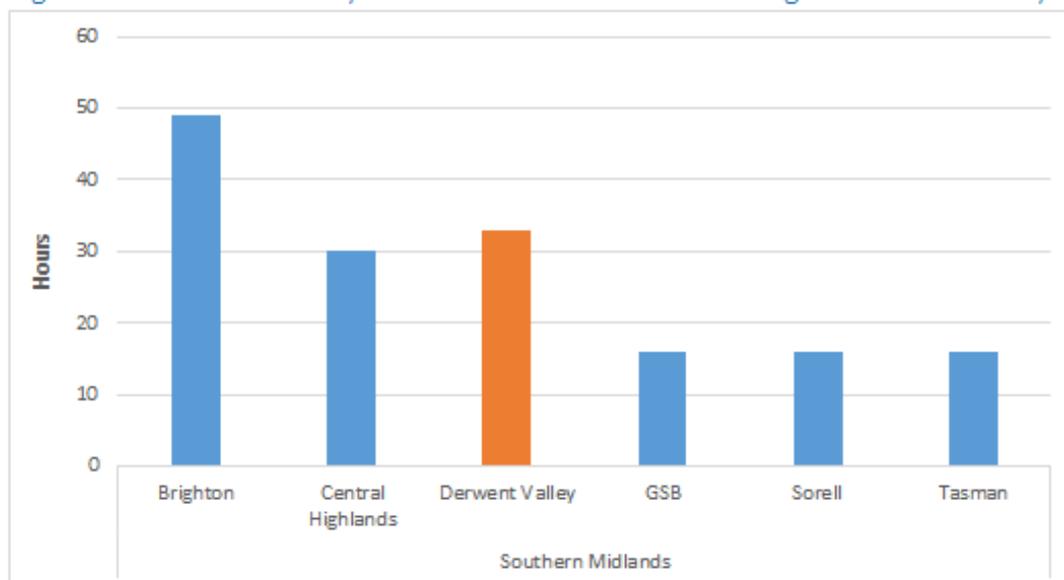

In November 2016, 199 hours of shared services were exchanged by the Southern Midlands Council. From this total, Southern Midlands provided 160 hours of services to other Councils, and received 39 hours of services from other Councils.

Cost Benefits Achieved by Southern Midlands and Other Councils

199 hours of Shared Services were exchanged by Southern Midlands Council last month. Analysis of Shared services provision has indicated that both the Provider Council and the Client Council save money through the exchange of Shared services at an approximate ratio of 50%.

In the month of November it is estimated, Council have achieved a net benefit of approximately \$7,200. This was a result of increasing the utilisation of its current staff to earn additional revenue from providing services to other Councils, and from utilising Shared services from within Local Government as opposed to external consultants (on average LG Shared Services rates can be procured at significant discount to external consultant fees).

It is estimated that Southern Midlands Council's direct involvement in Shared services saved participating Councils (including Southern Midlands Council) approximately \$13,000 for the month of November.

LG Shared Services Joint Venture Update

November 2016

Summary of Recent Shared Services Activity

1098 hours of Shared Services were exchanged between Councils during November 2016, which is a slight decrease when compared to hours exchanged last month (October 2016).

Tasman								126			

* Council/Organisation not currently a member of the Shared Services Joint Venture Agreement

Fig 3 - Details of Current Exchange of Services by Service Category during November 2016

Savings to Local Government

A total of 1098 hours of shared services were exchanged between Councils last month. Analysis of Shared Services provision has indicated that both the Provider Council and the Client Council save money through the exchange of Shared Services at an approximate ratio of 50%.

Due to this, it is estimated that the provision of shared services between Councils saved participating Councils and Local Government as a whole \$80,600 for the month of November. This was a result of increasing the utilisation of current Council Staff at Councils providing services and from Client Councils utilising Shared services from within Local Government as opposed to external consultants (on average LG Shared Services rates can be procured at significant discount to external consultant fees).

Progress of the Shared Services Initiative

- An LG Shared Services website is currently being constructed by the Chief Administrator. The website will be used to; promote the Local Government Shared Services Initiative, provide information for prospective future members, create a platform for the sharing of documents and facilitate a mechanism for virtual web based support.
 The website can be viewed at <http://www.lgsharedservices.com.au/> all feedback is welcome. Please note that the website is still under construction.
- LGSS representatives are currently in talks with additional Northern Territory councils to recruit greater membership in the NT. It is hoped, and indeed probable, that an additional NT will join the LGSS by the end of the calendar year.

18.2.2 SUB-REGION COLLABORATION STRATEGY – STANDING ITEM

Author: GENERAL MANAGER (TIM KIRKWOOD)

Date: 7 DECEMBER 2016

Attachments:

Minutes of meeting held 5th December 2016

ISSUE

Standing Item to enable:

- a) Council to identify or consider new initiatives that can be referred to the Sub-Region Group for research and / or progression; and
- b) The provision of updates and reports on the Group's activities.

BACKGROUND

The Brighton, Central Highlands, Derwent Valley and Southern Midlands Councils have agreed to work together to identify and pursue opportunities of common interest and to more effectively and efficiently serve ratepayers, residents and the communities in these municipal areas.

DETAIL

The Sub-Region Group has now met on three occasions. The Notes from the most recent meeting held Monday 5th December 2016 are attached.

Human Resources & Financial Implications – No budget has been allocated for these sub-regional activities. Any specific projects which require additional funding will be referred to Council for consideration prior to commencement.

Community Consultation & Public Relations Implications – Nil

Policy Implications – N/A

Priority - Implementation Time Frame – Ongoing.

RECOMMENDATION

THAT the information be received.

South Central Sub-region Meeting

Minutes

Venue: Bridgewater Trade Training Centre

Time: 5th December 2016 @ 10am (including tour of BTTC and followed by lunch at Stefano Lubiano)

Attachments:

1. Draft MOU between BTTC & SCS
2. Letter to Premier regarding election funding

1. **Apologies** – none
2. **Attendees** – Tony Foster, Ron Sanderson, James Dryburgh, Janine Banks, Lyn Eyles, Lou Triffitt, Greg Winton, Martyn Evans, Sandy Menadue (JRLF), Traycee Di Virgilio (BTTC) & Rene Hidding (lunch only)

3. Update on projects – James Dryburgh

– **Tourism/visitor action plans progress report**

The four local Destination Action Plans are progressing well with final documents due in January. Common themes, issues and opportunities across the SCS are emerging. It is proposed that an SCS Destination Action Plan be drafted by this group with the assistance of DST in a 1 hour workshop at the February meeting.

There is likely to be a 2:1 funding possibility up to \$50k for DAP projects with applications due in May. (eg. \$25k per council + \$50 state = \$150k). Melinda Anderson will advise further.

– **Workforce planning project**

This project is now underway with engagement letters now signed by all mayors, the project plan agreed and initial steering committee meetings held. The steering committee is made up of Kerry Vincent (SERDA), James Dryburgh (SCS), David Richardson (KPMG) and Jeremy Rose (Skills Tasmania). Having a joint steering committee across the two concurrent projects will ensure they

are consistent and also minimise inefficiency to ensure KPMG have as many hours as possible to engage industry stakeholders and undertake the core work of the project.

Several stakeholders already contacted have expressed genuine enthusiasm for the project and its objectives.

***ACTION:** James to try to arrange an industry stakeholder tour of the BTTC via the Workforce Planning Project.

- **Education & training (see attached draft MOU)**

The Bridgewater Trade Training Centre is extremely keen to collaborate more fully with the SCS councils. The facility has a range of growing opportunities and capacities for education, industry, community and government, which are arguably under-utilised. The SCS can become a major contributor to the success of the Centre and its benefit to the people of the region.

***ACTION:** Each Council's SCS representatives to reply to James Dryburgh by December 23 with suggested changes or issues with the draft MOU between the SCS and the BTTC. (See attached draft MOU and note it has been modified to only refer to the BTTC as the sub-regional facility rather than also referring to the JRLF which may create conflict with schools outside of the Brighton Municipality).

***ACTION:** Each council to liaise regularly with the BTTC to regularly publicise their offering and relevant stories and events in their respective newspapers and newsletters.

It was noted by Ron Sanderson that councils may be able to provide opportunities for business 'school-based apprenticeships'.

- **State election matters (see attached letter)**

A letter has been sent on behalf of the SCS with the core projects each of the four councils is seeking State funding for leading up to the state election (attached). We have received confirmation that this has been received by the Premier.

It was agreed that a media release regarding the letter was not necessary at this time.

James Dryburgh noted to the group that the SCS represents:

- 36% of the population of Lyons (entire SCS is within Lyons).
- Almost 50% of the land area of Lyons.
- 23% of the land area of Tasmania

The group decided it would be valuable to have some similar figures with regards to the economic contribution of the SC Sub-region.

***ACTION:** James Dryburgh to discuss this with KPMG during the Workforce Planning Project to see if they can provide such figures. If they cannot, James will investigate other options to obtain such data, which the group considers will be useful for lobbying clout.

- **Delegations, SCS spokesperson, signatory, etc (eg. Contact name on media release)**

James Dryburgh explained that given the rushed time period, the letter to the Premier regarding election funds went out on Brighton letterhead and was signed by Mayor Foster on behalf of the SCS group (although each council had provided their own priorities for the letter). It was agreed that in future such correspondence will be signed by all four Mayors and the letterhead will be changed to use the four council logos.

***ACTION:** Each council General Manager to provide James Dryburgh with the electronic signatures of their Mayor for future use. This way approval can be gained via email and correspondence still prepared in a timely manner.

With regards to the contact on media releases, it was agreed that as the Chair of the SCS and the person likely to be across the details of particular matters, that James Dryburgh be the default media contact. However, he must keep the group well-informed and where appropriate or desirable for specific matters, the most appropriate mayor for a given issue should engage the media. In effect, James will be the primary contact, but will direct media to the relevant mayor where appropriate or agreed.

- **Disability access strategy progress**

Staff from each of the four councils have met and collaborated on this project. They have determined it is something that must ultimately be finalized individually, but with advice and knowledge sharing from one another. Brighton council have prepared and endorsed a Strategy and are preparing an action plan from it, in large part thanks to the assistance of the other three councils. Other councils are progressing in updating their strategy in this area as well.

- **Economic & investment strategy**

It was agreed that it would make sense to postpone this work until the Workforce Planning Project and the Destination Actions Plans have been finalized as they will likely result in clarifying the scope of an economic and investment strategy.

- **Strategic resource sharing within the SCS**

The four councils are already engaged in a significant level of shared services, for example all planning and engineering work is done within the SCS, with two councils being both client and provider and two councils being client.

There is further opportunity in this area to ensure that where possible the SCS councils are keeping money within the group. This means each council needs to be fully aware of what resources they may be able to provide to the other three councils and what they may be able to receive. There is particular opportunity for leave cover and acting roles.

***ACTION:** All general managers to provide James Dryburgh with an organizational chart so there can be an initial analysis of who may be able to provide leave cover for who, which should then be reviewed by the respective general manager with the view of creating a default list to assist with decision making regarding leave cover and strategic shared services at each SCS council.

- **SCS relationship to the 'new' STCA (incl. quarterly reporting)**

The STCA has agreed to begin scaling back to more of a 'skeleton organisation' that operates on a project or as needs basis. Part of the new model is likely to involve quarterly meetings which will include a standing agenda item of reports from the sub-regional groups. It was agreed that James would prepare and present these reports for the SCS, circulating them for comment to the SCS group prior to presenting at the STCA.

- **SCS reporting to councils**

It was suggested that the minutes of each SCS meeting be circulated to all councillors, likely as an item on a council report agenda.

It was also noted that the SCS group should seek to better engage the other councillors on the SCS activities.

4. Update on Action Plan items – Tim Kirkwood/Andrew Benson

- **Disaster and emergency management**

Tim Kirkwood is investigating the potential of a potential natural disasters grant opportunity for the development of a flood warning system in the Jordan River catchment (this would not include DVC).

- **Waste management**

Nothing new to report, but work in this area will ramp up after Christmas when Graeme Green returns from long service leave.

5. Other business

Mayor Martyn Evans mentioned that there may be a grant opportunity for damage to Parks and reserves under a Federal and State funding announcement.

*ACTION: James to investigate.

Mayor Lou Triffitt raised the opportunity for the SCS to engage with the Tasmanian Aboriginal Centre to establish a strong relationship and to better seek longer term opportunity such as Aboriginal heritage tourism, which came out strongly as an opportunity in the Destination Action Plan processes for all four local regions. Dual naming on signage should also be considered. It was agreed this be discussed further at the Destination Action Plan workshop in February.

- Ron Sanderson mentioned a potential beauty and care program for young women that could be done across the SCS.

*ACTION: Ron Sanderson to follow up.

6. Next meeting:

February 20th at 10am at Hamilton (Council Hall).

The meeting will include a 1 -1.5 hr facilitated workshop on the drafting of an SCS Destination Action Plan and a presentation on the progress of the Workforce Planning Project by KPMG. As such, the meeting it likely to run until around 1pm.

Memorandum of Understanding

This document represents an agreement between

Bridgewater Trade Training Centre

and

South Central Sub-region

Description of collaborating organisations

The Bridgewater Trade Training Centre is trade training centre for the region described as the South Central Sub-region.

The South Central Sub-region consists of Brighton, Central Highlands, Derwent Valley and Southern Midlands councils. It exists to facilitate sub-regional collaboration.

Objectives and scope

The objective of this MOU is to support the Bridgewater Trade Training Centre and facilitate its integration with local government, industry and the community, to ensure the best education, training and employment outcomes for the South Central Sub-region.

The nature of the collaboration

In addition to the formal lease agreement and the management of the subject site, this MOU provides a basis for the two parties to support each other's roles within the community and to work collaboratively on matters of shared interest.

Definitions and interpretations

"The parties" – means Bridgewater Trade Training Centre and South Central Sub-region.

The terms of the agreement

This MOU runs until such time as the parties agree amendments, extensions or the ceasing of the MOU.

Insert file and version information here

Organisation and management of the agreement

Bridgwater Trade Training Centre (BTTC)

- A. The point of contact for issues regarding this MOU will be the Principal of the Jordan River Learning Federation (JRLF).
- B. The Principal of the JRLF will advise the Chair of the South Central Sub-region (SCS) of any matters that may be relevant to the SCS or to the Sub-region as a whole.
- C. Where possible the BTTC will collaborate with the SCS to improve education, training and employment outcomes in the Sub-region. This may include, but is not limited to: co-funding of projects; partnered funding application; "design and build" projects; collaboration on council infrastructure projects; collaboration on research and strategy.
- D. The BTTC will participate actively in the Regional Workforce Planning Project for the SCS.

South Central Sub-region (SCS)

- A. The point of contact for issues regarding this MOU will be the Chair of the South Central Sub-region.
- B. The Chair of the South Central Sub-region (SCS) will advise the Principal of the JRLF of any matters that may be relevant to the BTTC.
- C. Where possible the SCS will collaborate with the BTTC to improve education, training and employment outcomes in the Sub-region. This may include, but is not limited to: co-funding of projects; partnered funding application; "design and build" projects; collaboration on council infrastructure projects; collaboration on research and strategy.
- D. The SCS will ensure the BTTC can be an active participant in the Regional Workforce Planning Project for the SCS and that it receives the final report.
- E. The SCS will facilitate positive publicity and information dissemination for the BTTC through the Sub-regions local papers, council networks and more broadly.

Insert file and version information here:

Review and evaluation

Bridgewater Trade Training Centre and South Central Sub-region shall meet at least every 12 months to review this MOU and the ongoing relationship between the parties.

Our Ref:
Prop Ref:
Date: 22nd November 2016

The Honourable Will Hodgman MP
Premier of Tasmania
Department of Premier and Cabinet,
GPO Box 123,
HOBART, TASMANIA 7001

Dear Premier,

I write on behalf of the South Central Sub-region (SCS) which consists of Brighton, Central Highlands, Derwent Valley and Southern Midlands councils. In case you are unaware of the SCS group, we work together on matters of common interest and currently have active projects covering the themes of economic development, the visitor economy, workforce planning, education, training and employment, public-private partnerships and strategic resource sharing.

The mayors and general managers of the four councils meet at least every two months and the meetings are chaired by Brighton Council Manager Development Services, James Dryburgh.

At our most recent meeting, in light of a rapidly approaching state election, we determined to write to you highlighting our agreed priorities for State Government funding across our sub-region. The funding priorities as agreed by the SCS are as follows (in no specific order):

- Completion of the new Bridgewater Bridge.
- Extending the no interest infrastructure funding to the south of the State.
- The Midlands Aquatic Centre in Oatlands.
- Resealing of Marlborough Road from the Lyell Highway to Bronte Village.
- Provision of public amenities at Arthurs Lake.
- Construction of an Indigenous Interpretation Centre in the Central Highlands.
- Establishment of a High School in Brighton.

Brighton
council

- 2 -

- Investment in the redevelopment of the Brighton School Farm (becoming fully integrated with the Bridgewater Trade Training Centre and partnering with local industry and tourism providers).
- Support for innovative re-use of Willow Court/Frascatti House.
- Support for the enhancement of the Derwent River experience by creating an aquatic hub.

We would greatly appreciate the opportunity to better inform you of our sub-regional activities and warmly invite you to attend one of our future meetings.

Please contact me on 0419 357 927 should you seek any further information.

Yours sincerely,

Cr Tony Foster AM OAM JP
Mayor Brighton (on behalf of the South Central Sub-region)

18.3 Finances

Strategic Plan Reference – Page 34 & 35

6.3.1	Communities finances will be managed responsibly to enhance the wellbeing of residence.
6.3.2	Council will maintain community wealth to ensure that the wealth enjoyed by today's generation may also be enjoyed by tomorrow's generation.
6.3.3	Council's finance position will be robust enough to recover from unanticipated events, and absorb the volatility inherent in revenues and expenses.
6.3.4	Resources will be allocated to those activities that generate community benefit.

18.3.1 MONTHLY FINANCIAL STATEMENT (NOVEMBER 2016)

Author: FINANCE OFFICER (COURTNEY PENNICOTT)

Date: 7 DECEMBER 2016

ISSUE

Refer enclosed Report incorporating the following: -

- Statement of Comprehensive Income – 1st July 2016 to 30th November 2016 (including Notes)
- Current Expenditure Estimates
- Capital Expenditure Estimates (*refer to enclosed report detailing the individual capital projects*)
- Rates & Charges Summary – as at 1st December 2016.
- Cash Flow Statement – November 2016

Note: Expenditure figures provided are for the period 1st July 2016 to 30th November 2016 – approximately 42% of the period.

CURRENT EXPENDITURE ESTIMATES (OPERATING BUDGET)

Strategic Theme – Growth

Sub-Program – Roads - expenditure to date (\$1,402,902– 45.70%). Expenditure of \$176,694 relates to maintenance grading costs.

Strategic Theme – Growth

Sub-Program – Business - expenditure to date (\$131,530– 55.92%). Costs relate to the Stornoway Contract where works are undertaken on a recharge basis, and the joint OH&S / Risk Management project being undertaken by six participating Councils under a resource sharing agreement. The cost of the project is to be shared between the six (6) Councils with revenue coming back to Southern Midlands.

Strategic Theme – Landscapes

Sub-Program – Regulatory – expenditure to date (\$356,034 – 45.33%). Expenditure includes Planning Appeal, Tribunal and Environmental Health Services.

Strategic Theme – Lifestyle

Sub-Program – Childcare – expenditure to date (\$5,000 – 66.67%). Expenditure includes \$5,000 BFDC Grant to the Brighton Family Day Care.

Sub-Program – Volunteers – expenditure to date (\$26,463 – 66.16%). Expenditure relates to the near completion of the community small grants program (with only 2 group/clubs outstanding).

Strategic Theme –Community

Sub-Program – Capacity – expenditure to date (\$33,735 – 99.15%). Expenditure includes \$7,000 Donation to MILE, Ten Days on the Island \$3,000, Melton Mowbray Community Association \$2,000 and funds for the kitchen extension at the Tunbridge Community Club \$11,000.

Strategic Theme –Organisation

Sub-Program – Sustainability - expenditure to date (\$1,055,979 – 49.45%). Includes annual costs associated with computer software maintenance (GIS/NAV) and licensing \$63,023, audit fees \$12,200 and annual insurance payments of \$59,785.

CAPITAL EXPENDITURE ESTIMATES (CAPITAL BUDGET)

Nil.

RECOMMENDATION

THAT the Financial Report be received and the information noted.
