

Welcome to the Southern Midlands

SOUTHERN
MIDLANDS
COUNCIL

Updated September 2025

As Mayor of the Southern Midlands Council and on behalf of my fellow Councillors, I wish to extend a warm welcome and thank you for choosing to live in the Southern Midlands.

Kind Regards

A handwritten signature in black ink, appearing to read 'Edwin Batt', with a long, sweeping horizontal stroke extending to the left.

Edwin Batt
MAYOR

About our Council

The Southern Midlands Council was created on the 2nd April 1993 through the merging of the Municipalities of Oatlands, Green Ponds and the Northern wards of the Municipalities of Brighton and Richmond. The area of the Southern Midlands is 2,561 sq km's, a high proportion of which is privately owned land (2406 sq.kms), divided into approximately 3,800 rateable properties.

The municipality has a population of approximately 6000 persons scattered throughout the district, which is predominately a rural based economy growing some of the world's best superfine wool. Tourism is now rising in importance.

Council is responsible for 803 kilometres of road made up of 30km of urban sealed roads; 153km of rural sealed roads; 13km of urban unsealed roads; 607km of rural unsealed roads and 152 bridges.

Towns and localities include Mangalore, Bagdad, Broadmarsh, Elderslie, Dysart, Jericho, Kempton, Melton Mowbray, Oatlands, Tunbridge, Tunnack, Parattah, Woodsdale, Levendale, Runnymede, Colebrook, Campania and Rekuna.

The municipal area is centrally located with both the Midland Highway and the north-south rail route bisecting the municipality.

Many examples of 19th century architecture can be found in the area's villages and rural districts, including convict-built grand Georgian rural homesteads and small workers' cottages. The region was the first broadly settled area outside Hobart.

Many architectural gems can be found by exploring the municipality's back roads. Heritage landscapes abound, with many views largely as they were 150 years ago.

Council Meetings

The Southern Midlands Council holds its Ordinary Council Meetings in various locations within the Municipal area during the first part of the year. Meetings commence at 10.00 am and public question time session commences at 10.30 am for each meeting. The intention is to provide the public with an opportunity to come and talk directly to Council, ask questions and generally communicate with your elected members. All other meetings alternate between Oatlands and Kempton municipal offices.

Council meeting agendas and minutes are available in PDF format from Council's website.

Please note that any change to a meeting date/time will be advertised in 'The Mercury' and on Council's website and Facebook page.

Services

Development & Environmental Services

Development and Environmental services are primarily based at the Kempton Office situated at 85 Main Street Kempton.

The responsibilities of this department include Land Use Planning and Development, Environmental Health, Building and Plumbing regulatory control and Animal Control. There are also administrative services provided at the Kempton Office which enable payment of rates, dog registrations and general access to all council services and information.

Community & Corporate Development

The Community and Corporate Development Department is primarily based at the Kempton Office situated at 85 Main Street, Kempton.

The key functions and focus relating to community development include working with individual community groups and organisations to assist them in achieving their goals and objectives; youth and childcare services; sport and recreation; and generally facilitating and promoting health and wellbeing activities within the municipal area.

Corporate Development has a more internal focus with a responsibility for developing corporate policies and systems; and encouraging ongoing improvement within council as an organisation.

Infrastructure & Works

Responsible for the provision of engineering and technical advice to Council in response to infrastructure and associated services. Key functions include maintenance of roads and bridges, footpaths, parks and reserves. The preparation and maintenance of assets registers and plans is a key priority for this Department. Infrastructure & Works employees operate from two depots located at Oatlands and Kempton.

An afterhours emergency services is provided on a rostered system.

Corporate Services

The Corporate Services Department's key roles are to provide administrative and financial services to Council, including information management technology and communications. Key functions include customer service, raising and collection of rates and charges, accounts payable and receivable, records and information management, provision of IT hardware and software and insurance services.

Natural Resource Management

The Southern Midlands Council is committed to working in partnership with the community to encourage public awareness of the importance of Natural Resource Management.

The Southern Midlands Council has sought to promote the integration of agricultural management practices with environment conservation in order to achieve sustainable land management. This is being achieved through developing and supporting community natural resource management projects both at the group and individual level. The program also involves working with neighboring municipal councils, non-government organisations such as the University of Tasmania, Greening Australia or TasFarmers, as well as State and Federal Government agencies. For a number of current projects, the partnership approach between Council and other relevant organisations is assisting to maximise opportunities to fulfill objectives.

The Southern Midlands Council is committed to the management of weeds within the Municipality and is working with landholders and other agencies to achieve positive outcomes. The Southern Midlands Weed Management Strategy was endorsed by Council in November 2017.

Heritage Projects

Council's Heritage Projects staff undertake planning, promotion and implementation of Heritage Projects within the Southern Midlands area. The focus being on conservation and promotion of Council owned heritage assets and the historic cultural heritage of the Southern Midlands municipal region.

Annual Reports

The Annual Report is one of four major documents produced by Council each year to ensure public accountability. They are the:

- Annual Report and Financial Statement;
- Strategic Plan;
- Annual Operational Plan; and
- Annual Budget.

The Annual Report and Financial Statements can be found online at <https://www.southernmidlands.tas.gov.au/annual-reports-strategic-plan/> or a hard copy can be posted on request

ANNUAL REPORT 2023/24

Strategic Plan

The Strategic Plan for the Southern Midlands has been prepared as a 'blue print' for the future of the Southern Midlands local government area. This document also provides guidance for the organisation, to ensure that it has the capacity to deliver the range of services that the Southern Midlands community has identified.

The Strategic Plan has been based on information and advice provided through Community consultation with members of the Southern Midlands Community at a number of levels, as well as discussions with the elected members of Council and advice provided by the officers of Council.

*The Strategic Plan document can be found online at
<https://www.southernmidlands.tas.gov.au/annual-reports-strategic-plan/>
or a hard copy can be posted on request*

Strategic Plan 2024 – 2034

Adopted by Council at its meeting on the 26 June 2024

Sport & Recreation Facilities

Oatlands Aquatic Centre

The Oatlands Aquatic Centre is located at 70 High Street, Oatlands and operates 7 days a week.

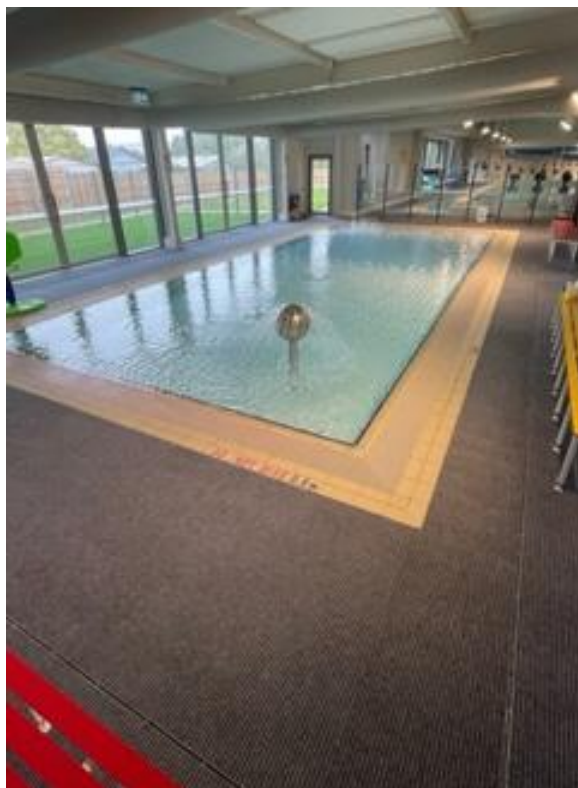

The state of the art facility includes a six lane 25 meter indoor pool, kids pool and equipped gym.

For opening times and entry fees please go to

<https://www.southernmidlands.tas.gov.au/oatlands-aquatic-centre/>

Oatlands Aquatic Centre

Keep an eye on the Oatlands Aquatic Centre Facebook page for any temporary closures and updates.

Wildlife

Chauncy Vale Wildlife Sanctuary

350 Chauncy Vale Road, Bagdad 7030

<https://www.chauncyvale.com/>

Chauncy Vale Wildlife Sanctuary is a 380 hectare reserve visited by bushwalkers, bird watchers, field naturalist groups, families, groups and school parties.

- There are a range of walks available which lead to points of interest such as Secret Cave, Brown's Caves Creek, Guvy's Lagoon and Flat Rock lookout points.
- A carpark with bus turning circle plus several areas suitable for picnics and gatherings with toilets, bbqs & picnic facilities, meeting room availability and toilets on site.
- For viewing of "Day Dawn Cottage", the Chauncy family home, it is necessary to make an appointment. Entry fee to house is \$2.00.
- For school groups visiting "Day Dawn", there is a flat \$20 fee.
- There is a \$2 entry fee and information regarding walks facilities and safety can be sourced from the caretaker.
- The reserve is closed to visitors on days of high fire danger.

With it's enchanting nature, heritage, culture and history, Chauncy Vale has shared a role in creating many meaningful experiences for over 3 generations of Tasmanian schools, families, individuals and community groups.

Mattresses	\$25.00
Car Body (per car) <i>Note: received at Oatlands only</i>	\$ 70.00

Dog Control & Registration

The Southern Midlands Council recognises the importance of dogs within the community, especially the role they play within the family environment as companions and as working dogs on farming properties.

Council encourages owners to comply with the Dog Control Act 2000 and ask that owners take responsibility of their dogs to ensure all rights of members of the community are recognised and respected.

To help minimise the potential of problems caused by dogs, it is important that all dog owners ensure that their dogs are:-

- (a) registered;
- (b) not allowed to cause a noise nuisance;
- (c) kept under effective control at all times;
- (d) not to attack a person or animal; and
- (e) not allowed to roam free during the day or night.

The Animal Control Officer regularly patrols all areas of the municipality and an after hours service is available in case of an emergency.

Below are some frequently asked questions about Dog Registrations. If you would like to know more or require assistance in registering your dog please do not hesitate to contact the Municipal Offices at either Oatlands or Kempton.

Dog Control Act 2000

The Dog Control Act 2000 states it is a legal requirement for all dogs in Tasmania over the age of six (6) months to be registered by their owner with the local council. *It is the owner's responsibility to provide proof of the dog's age.*

Registration is designed to assist owners, dogs and the community. If your dog is unregistered and becomes impounded, then the Council has no information to assist them to reunite the dog with the owner. Under the Act any impounded dog that is not claimed may be disposed of after three (3) days.

Can I transfer my Dog Registration?

Yes you can. Registration is transferable from owner to new owner and between Councils. Failure to notify the Council of changes can lead to fines. For information on how to transfer registration contact the Municipal Offices.

How do I register my Dog?

Obtain an “Application for Registration of a Dog” from the Municipal Offices. After completion of the form, return it by mail or in person with the appropriate registration fee.

When the application is processed the Council will give you or post to you a disc marked with a registration number, the Council name and the expiry date.

How does registration help?

It is a means of identification if the dog is lost, injured or separated from its owner.

- If a dog becomes lost, injured or impounded, and is wearing a collar with a current registration disc it can be quickly re-united with its owner. All attempts are made to return the dog home.
- If a dog is impounded and is wearing a collar with a current registration disc, then Council is bound to notify the owner of the impounding and cannot dispose of the dog for five (5) business days.

This is why it is important to register your dog and also notify Council of a change of address or loss of a tag.

When do I renew my dog's registration?

Registrations need to be renewed annually. They expire on the 30th June of each year and should be renewed before the 31st July. If paid after this date then the standard registration fee will not apply, and the owners will be charged a higher fee.

Council will send you a renewal notice in June as a reminder. However, it is your responsibility to renew the registration. If for some reason you do not receive a renewal notice, this is not a valid excuse for not renewing the registration.

Rates & Charges

Rates & Charges Resolution

Please refer to Council's website for the current Financial Year Rates and Charges Resolution.

https://www.southernmidlands.tas.gov.au/assets/Rates_and_Charges_Resolution_2025_2026.pdf
