7. QUESTIONS WITHOUT NOTICE

An opportunity is provided for Councillors to ask questions relating to Council business, previous Agenda items or issues of a general nature.

Comments / Update will be provided in relation to the following:

1. Councillor Campbell – Raised the issue of Col Stone with his horse and cart through the Oatlands township and noting that he may have to relocate to Ross if he is unable to source feed for the horses.
Councillors agreed that it would be inappropriate for Council to make a direct donation however efforts would be made to source feed if possible.
2. Councillor Campbell – Requested a progress report for the proposed NBN tower in Oatlands and Parattah.
The General Manager advised that Sarah McDonald, Communications Officer with NBN would be available to brief Council on this issue if required. The Oatlands tower would be the subject of a development application report to be considered at the next meeting.
3. Councillor Campbell – Noted complaints he had received about gorse bushes in Oatlands being a potential fire hazard on private land.
The General Manager advised that properties would be inspected in the coming weeks to consider whether an Abatement Notice is required. Council's Policy in terms of rural properties will be considered as part of this process.
4. Councillor Campbell – enquired when the asbestos will be removed from 79 High Street, Oatlands.
The General Manager advised a grant funding application has been submitted for work to commence on this property and should be known in the near future.

To be researched accordingly.
5. Councillor Fish – enquired about major works currently being carried out at the Oatlands Sewerage Lagoons.
General Manager to obtain information from TasWater.
6. Councillor Bantick – advised he had received representations from residents in Parattah seeking a 'Wilson Street' sign. They are currently addressed as Tunnack Road but their properties are at least 100m from Tunnack Road.

The General Manager advised through the Manager, Development and Environment Services that similar circumstances have occurred before with residents not necessarily wanting Council to take over responsibility for their road but simply put up a street name sign with 'Private Road'.

7. Deputy Mayor Green – requested an update regarding a number of complaints received about properties in Parattah with numerous car bodies in their yards. *The Senior Planning Officer advised he has written to a resident (Mr Behrens) advising Council will remove car bodies and use vehicles for SES Road Rescue training purposes. The Deputy Mayor also suggested moving them to an alternative property owned by the resident.*

DECISION

Moved by Cllr E Batt, seconded by Cllr D Fish

THAT the Kempton Recreation Ground be made available for all Kempton Festival related activities for the 2016 Kempton Festival, which includes permission to exhibit all animals but excludes competitive horse activities. 17.2.1 Sub-Region ‘Economic & Community Development’ Strategy Workshop – Consideration and Endorsement of Outcomes

AUTHOR GENERAL MANAGER (T KIRKWOOD)
DATE 17 NOVEMBER 2015
ENCLOSURE Report – Sub Region Strategy Workshop – 9th November 2015

ISSUE

Council to consider and endorse the outcomes of the Sub-Region workshop held 9th November 2015. Sub-region consisting of the Brighton, Central Highlands, Derwent Valley and Southern Midlands Councils.

BACKGROUND

Following on from the resource sharing arrangements which are occurring through participation in the formal ‘Shared Services Agreement’, for a period of time there have been discussions centred around the possibility of the sub-region (Brighton, Central Highlands, Derwent Valley, and Southern Midlands Councils) developing a joint strategy to promote and market economic and community development.

This recognises that the sub-region has much to offer, particularly in the areas of tourism, agriculture, recreation and industry development. However, there are a number of other areas, such as transport and roads, education, energy and health services, where we can achieve significantly more through working collectively, rather than as individual Councils. Our current resource sharing initiative provides clear evidence of the potential benefits.

Resulting from these discussions, it was proposed that the four Councils undertake a value management workshop to further develop this initiative and:

- a) identify (or confirm) the willingness of the individual councils to work together; and
- b) identify the type of initiatives that could be progressed through the development of a joint strategy.

Attendance at this initial value management workshop was limited to five representatives per Council (i.e. Mayor, Deputy Mayor and maximum of 3 senior staff) - the aim being to encourage full participation and input from all attendees.

DETAIL

The Workshop was held on 9th November 2015 and the Southern Midlands was represented by Mayor A E Bisdee OAM, Deputy Mayor A O Green, T Kirkwood, A Benson and D Mackey.

The overall objective was to firstly determine how the four Councils can work together to develop and promote our sub-region; and secondly to identify short, medium and long-term opportunities; agree on priorities and prepare an action plan for implementation.

The attached Report shows the various elements of the workshop process. In particular Section 2 of the Report details the workshop outputs.

An Action Plan has been developed, based on the assumption that the four Councils will commit to the development of a joint strategy, and secondly, to ensure that the outcomes are progressed beyond staging the initial workshop.

Human Resources & Financial Implications – It is envisaged that the majority of initiatives will be progressed ‘in-house’ using existing resources, skills and expertise. Future projects which may require a budget allocation will be the subject of a further report seeking a specific funding allocation.

Community Consultation & Public Relations Implications – The workshop basically confirmed that a collaborative approach can achieve positive outcomes that would benefit our sub-region, our municipalities and communities.

Policy Implications – Policy position

Priority - Implementation Time Frame – immediate implementation following consideration by the individual Councils.

RECOMMENDATION

THAT:

- a) **the Sub-Region Strategy Workshop Report (held 9th November 2015) be received;**
- b) **Council commit to working with the Brighton, Central Highlands, Derwent Valley and Southern Midlands Councils to develop and implement a strategy to promote and market economic and community development; and**
- c) **Council endorse the Action Plan detailed in the report.**

Dear Tim

On behalf of the Green Ponds Progress Association Kempton Festival Committee I wish to advise that the 2016 Kempton Festival is scheduled to be held on **Sunday 21st February, 2016.**

18.2.2 Council Policies

AUTHOR DEPUTY GENERAL MANAGER (ANDREW BENSON)
DATE 18 NOVEMBER 2015
ENCLOSURES Draft Code of Conduct Policy

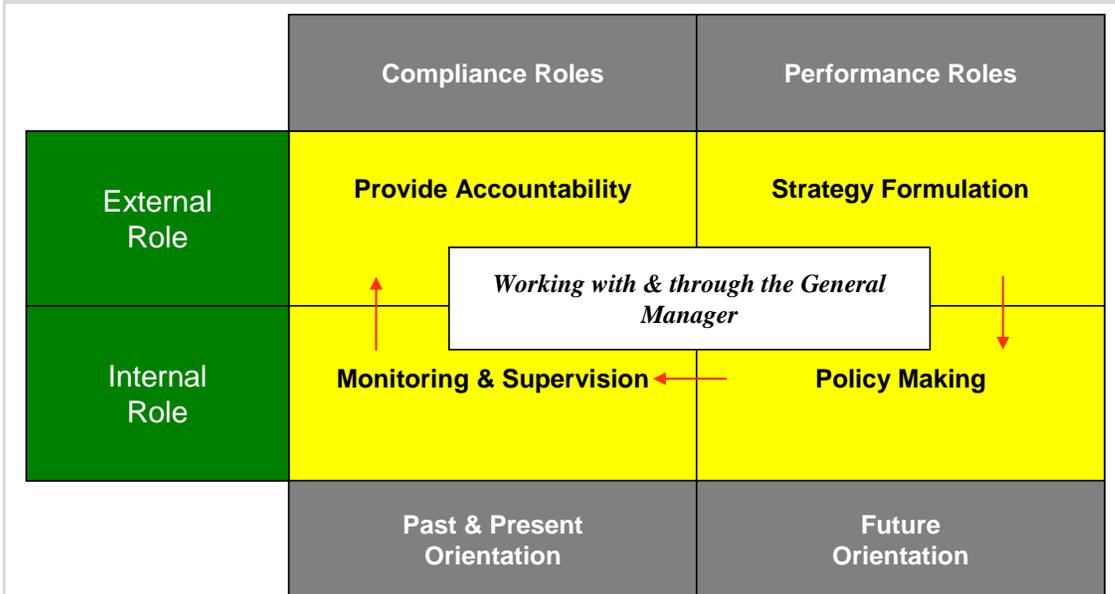

ISSUE

The Local Government Association of Tasmania (LGAT) through lawyers, Page Seager are running a State wide project to provide a consistent set of Policies as well as Procedures to all Councils in Tasmania. That means Councils will be progressively changing across to the new policies framework. The Policy included within this report is the latest version of the first tranche of policy and procedure documents that form part of the Personal Behaviours Toolkit for consideration and approval by Council.

BACKGROUND

FRAMEWORK FOR ANALYSING COUNCIL’S GOVERNANCE FUNCTION

The diagram below along with its explanation has been the subject of previous presentations to Council; however, it is meaningful to reflect on this governance framework when policy documents are presented to Council. As part of this framework it is important for Council to be aware of and monitor audits and related governance review mechanisms that are undertaken within the organisation, based on Council’s strategies and policies.

DETAIL

This latest Policy, which does not include Elected Members, has been part of the ongoing consultation with Councils across the State as well as the consultation with Australian Services Union (ASU) and the Australian Workers Union (AWU). The overall document suite will be a very worthwhile outcome in achieving a consistently updated set of policies and procedure documents with best practice application across the local government industry in Tasmania.

This is the final policy document out of the first tranche, with the second tranche documents due shortly, which will include: Alcohol and other Drugs, Diversity, as well as Flexible Working Arrangements. These are nearing completion and will be provided for Council's consideration in due course.

As Councillors are aware, the process for any policy document is, that it is tabled at one meeting and then "lays on the table" until the next meeting, to enable Councillors sufficient time to work through and consider all of the ramifications of the strategy/policy, before the document is finally considered for adoption at the following meeting.

RECOMMENDATION

THAT Council

- a) **Receive and note the report;**
- b) **Consider Draft version 1 Code of Conduct Policy for adoption at the January 2016 Council meeting.**

DECISION

Moved by Clr R Campbell, seconded by Clr D Marshall

18.3.1 Monthly Financial Statement (October 2015)

AUTHOR FINANCE OFFICER (COURTNEY PENNICOTT)
DATE 19 NOVEMBER 2015

Refer enclosed Report incorporating the following:

- a) Statement of Comprehensive Income – 1st July 2015 to 31st October 2015
(including Notes)
- b) Current Expenditure Estimates
- c) Capital Expenditure Estimates

Note: Refer to enclosed report detailing the individual capital projects.

- d) Rates & Charges Summary – as at 13th November 2015
- e) Cash Flow Statement - October 2015

Note: Expenditure figures provided are for the period 1st July to 31st October 2015 – approximately 33% of the period.

A. Current Expenditure Estimates (Operating Budget)

Strategic Theme – Infrastructure

- **Sub-Program – Lighting** - expenditure to date (\$41,752– 47.84%). Street lighting is now paid on a monthly basis. Prior to the commencement of monthly payments, in August 2015, a quarterly payment was made in July 2015 which related to part of the previous financial year. Recognising that this was not an accrued expense as at June 2015, it is expected that this budget will be exceeded by approximately \$14,700 at the end of the reporting period.
- **Sub-Program – Signage** - expenditure to date (\$4,590– 48.83%). Expenditure relates to the replacement of damaged and missing signs, including the large Çolebrook township sign.

Strategic Theme – Growth

- **Sub-Program – Business** - expenditure to date (\$64,768– 51.33%). Works undertaken on a recharge basis. Expenditure will be offset by income received.

Strategic Theme – Lifestyle

- **Sub-Program – Childcare** – expenditure to date (\$5,000 – 66.67%). The total amount expended relates to the annual payment to the Brighton Family Day Care service.

Strategic Theme – Community

- **Sub-Program – Consultation** - expenditure to date (\$2,255 –44.48%). Expenditure relates to electricity payments for the Weeding’s Hill tower.

Strategic Theme – Organisation

- **Strategic Theme – Improvement** – expenditure to date (\$30,884– 352.96%). All costs relate to the joint OH&S / Risk Management project being undertaken by six participating Councils under a resource sharing agreement. The cost of the project is to be shared between the six (6) Councils with revenue coming back to Southern Midlands.
- **Sub-Program – Sustainability** - expenditure to date (\$805,680 – 39.34%). Expenditure to date includes approximately \$149,500 of annual expenses (e.g. insurances, subscriptions and licence payments). If this amount is apportioned over the financial year, expenditure to date is within the approved budget.
